More Than Enough Is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by Mary A. Mee.

Methodist Church Services.

Preaching services every Sunday at 11 a. m. and every other Sunday evening at 7:30. Sunday School every Sunday morning at 10:00. Epworth League at 6:45 every Sunday evening. Junior Epworth League at 3 p. m. every Sunday. Prayer meeting every Thursday evening at 7:30.

For Chronic Diarrhoea.

"While in the army in 1863 I was taken with chronic diarrhoea," says George M. Felton of South Gibson, Pa. "I have since tried many remedies but without any permanent relief, until Mr. A. W. Miles, of this place, persuaded me to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, one bottle of which stopped it at once." For sale by Mary A. Mee.

The ladies of the M. E. church will serve dinner on Thanksgiving day.

Why Colds are Dangerous.

Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Everyone knows that pneumonia and chronic catarrh have their origin in a common cold. Consumption is not caused by a cold but the cold prepares the system for the reception and development of the germs that would not otherwise have found lodgment. It is the same with all infectious diseases. Diphtheria, scarlet fever, measles and whooping cough are much more likely to be contracted when the child has a cold. You will see from this that more real danger lurks in a cold than in any other of the common ailments. The easiest and quickest way to cure a cold is to take Chamberlain's Cough Remedy. The many remarkable cures effected by this preparation have made it a staple article of trade over a large part of the world. For sale by Mary A. Mee.

THE LIMEKILN CLUB.

Brother Gardner Issues an Official Dream Book.

HE READS SOME EXTRACTS.

Thunderstorms, Blizzards, Tornados and Earthquakes Have No Effect on His Publication, the President Tells Members.

[Copyright, 1908, by T. C. McClure.] "My frens," said Brother Gardner after the official business of the meeting had been concluded, "I has had several occasions to lecture de members of dis Limekiln club on de subject o' dreams and signs. I has eben gone so fur as to suspend three or fo' members fur carryin' dream books about in delr hind pockets. It hain't no use to fight agin what de cull'd race has believed in fur de last 200 years, and I hereby announce dat from dis

A BALDHEADED WHITE MAN STANDS ON DE SHORE LAUGHIN' AT YOU.

dis club kin dream fo'ry dreams a night and spend all day long lookin' fur signs. However, as I don't want to see you throw your time away and you might as well patronize home industry as to go elsewhere, I have invented and published what is called 'Brother Gardner's Dream and Sign Book.' De price is no mo' dan you have to pay fur odders, and most of de dreams I have dreamed myself, and you kin depend upon dem. Dis book will be sent to any pusson, black or white, in America fur de small sum of a dime. Money refunded if you ain't found dead in your bed arter dreamin' of bein' choked to death by a ghost.

"I take pleasure in readin' you a few extracts from de work, and I want you to take pertick'ler notice dat thunderstorms, blizzards, tornados and airtquakes have no effect on dis book. It takes no holidays off. It makes no distinctions between rich and pore, de innocent or de wicked. Brudder Shln will run de temperature of de hull up to 140 degrees by throwin' dat last soap box into de stove, and I will read: "To dream dat you am roostin' up a tree and de old woman am sittin' at de foot of it wid a club in her hand sorter signifies dat if you make any complaints about breakfast next mawulin' dar will be an area of high pressure in de atmosphere directly ober your cabin. I have found it to come out dat way on sebenteen different occasions.

"To dream dat you have spent de hull day fishin' and am jest gwine home at sundown widout havin' a bite may be taken to mean dat dar am suthin comin' to you and dat you'll git it befo' you am many hours older.

"To dream dat you am runnin' across a field at your best speed, wid a roarin' bull arter you and gainin' at every jump, sometimes signifies dat you am about to find a dollar in de road. At other times it signifies dat you am about to lose one.

"De woman who dreams of bein' follered along a highway in de night by a 'hite mawl kin wake up in de mawlin' and feel sure dat she am gwine to hear some news about her relations. De hull pile of 'em are probably comin' to stay fur a fortnight, wid de ole man out of work and de rent three months behind.

"De man who dreams dat he has just cast his ballot fur president and feels in his pockets to find them empty should take warnin' and git his \$2 in advance.

Concerning Chickens.

"To dream of havin' a chicken under each arm jest as you turn a co'ner and run slap agin a policeman signifies dat you have an inimy dat seeks your destruction. Whenever I have dreamed dat dream I have let chickens alone fur de next three months.

"To dream dat you won \$3 shootin' craps and dat you come home and went to bed widout sayin' anything to de ole woman about it and dat you woke up next mawlin' and found de hull pile gone signifies prosperity. De safest way, however, is to hide de money outdoabs befo' enterin'.

"To dream of seein' a goose carryin' a fox in her mouth signifies a change of circumstances. My mawl died on my hands shortly arter I had dreamed dat dream. Ag'in, I knowed a man who dreamed it and woke up to win \$10,000 in a lottery.

"To dream dat your wife am dead and dat you am puttin' up a headstun at her grave 'pears to be a dream of ill omen, but de contrary am de case. De dreamer am almost sure to find a smoked ham in de road widin three days' time.

"To dream dat you am swimmin' in

water whar you am surrounded wid snakes, alligators and sharks and dat a baldheaded white man stands on de shore laughin' at you signifies dat peril am gwine to menace you. If you am usin' wood off some white man's plie, look out fur loaded sticks.

"To dream dat you have white hair and am on your way to de drug store to git a bottle of hair dye when a yaller cat runs ober your feet signifies a change of some sort. You may be taken into a trust or kicked out of one.

"To see five crows sittin' in a line on de fence is a sign dat a pusson am comin' along to disturb your domestic happiness. Dat pusson may try to coax your ole woman to elope wid him or may hand her a love letter dat you have writ to anoder woman.

"If you wake up at midnight and hear a mysterious voice callin' to you from afar off and it seems to be de voice of a woman stuck in de mud, you kin sot it down dat your mudder-in-law am comin' on a visit and make things hum. You will hear her callin' arter she arroves, and ebry call will make you jump a foot high.

Hootin' of an Owl.

"To be gwine past a graveyard at night and hear de hootin' of an owl am 'nuff to jump a man ober his butes, but don't jump. I have neber had dat thing happen to me widout bringin' good luck. De last time it happened I borrowed a white man's wheelbarrow, and he dun forget who he lent it to.

"If you meet a hobtalled dawg, a one eyed cat and a lop shouldered man on de same block while gwine to de grocery arter codfish, you might as well turn right back and save bein' humiliated. No greocer on airt kin stand up agin such a combination as dat, and de minute you ax to be trusted he will refuse you.

"To have a blind mawl pass you while you am sittin' on de fence am a sign dat you am gwine to be dunned fur your pew rent de follerin' Sunday and dat you'll have to pay at least 50 cents down and make some big promises regardin' de balance.

"If you am sittin' on de back steps of your cabin, wishin' you was rich and great, and a speckled hen walks out in front of you and tries to crow, you git outer dat as fast as your legs will carry you. It means dat your landl'or am jest around de co'ner, and if he finds you home he will raise your rent \$2 a month.

"To be walkin' along a highway and find a corkscrew am one of de baddest signs I know of. It am a sign dat you have got a pull widout anything to pull at.

"To be walkin' in an alley at midnight and suddenly hear a voice at your elbow am a sign dat de policeman who owns de voice am gwine to take you to de station and ax for explanations. If you kin convince him dat you was walkin' to meditate, he will let you go. If you can't, it will be thirty days or \$5 fine next mawulin'.

Allus be prepared fur dis emergency.

"If you am passin' down an alley in de daytime and see fifty feet of garden hose in a white man's back yard, wid a yaller cat roostin' on de fence, it am a sign dat befo' midnight dat hose am gwine to disappear. I hain't sayin' dat de yaller cat am gwine to swallow it, but de next mawulin' it will be gone.

"In addition to de above, 'Brother Gardner's Dream and Sign Book' contains hundreds of odder dreams, signs and tokens, beginnin' way back to de diskbery of America and comin' down to de beginnin' of de present gift times. A rabbit's foot goes wid ebry sale. If you don't have luck wid de dreams and signs, it will shortly come wid de foot—ober fifty different signs dat you am gwine to be rich befo' de year am out; ober a hundred dreams dat must bring you luck, wid instructions how to dream 'em; homemade and hand painted and jest as much to be relied on as old fashioned 'lasses candy.

"Let us now adjourn." M. QUAD.

Naturalized.

An Italian went to the civil service commissioners' rooms to be examined for a laborer's position. He answered most of the questions correctly. Finally they asked him if he had ever been naturalized. He seemed a bit puzzled, but at last his face lighted up. "Ah, I know whata you mean. Scratcha de arm. Yes, lasta week."
