

Aids Nature

The great success of Dr. Pierce's Golden Medical Discovery in curing weak stomachs, wasted bodies, weak lungs, and obstinate and lingering coughs, is based on the recognition of the fundamental truth that "Golden Medical Discovery" supplies Nature with body-building, tissue-repairing, muscle-making materials, in condensed and concentrated form. With this help Nature supplies the necessary strength to the stomach to digest food, build up the body and thereby throw off lingering obstinate coughs. The "Discovery" re-establishes the digestive and nutritive organs in sound health, purifies and enriches the blood, and nourishes the nerves—in short establishes sound vigorous health.

If your dealer offers something "just as good," it is probably better FOR HIM--It pays better. But you are thinking of the cure not the profit, so there's nothing "just as good" for you. Say so.

Dr. Pierce's Common Sense Medical Adviser, in Plain English; or, Medicine Simplified, 1008 pages, over 700 illustrations, newly revised up-to-date Edition, paper-bound, sent for 21 one-cent stamps, to cover cost of mailing only. Cloth-bound, 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

Train Held Up.

The overland train on the O. R. & N. was held up by four masked robbers eight miles east of Portland last Thursday night and the express car dynamited and looted. Only a small amount of money was in the safe, which the robbers forced the messenger to open, and in disgust they went through his pockets and took \$3.30. It is not to be expected that the robbers will be captured, as the Portland police and detective force have not been known to catch anything—even a bad cold—for months. This is the third train holdup at nearly the same spot within a comparatively few years.

Beware of Frequent Colds.

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White, of Butler, Tenn., says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by Mary A. Mee.

Observation Cars.

On and after November 15, 1907, the observation cars between Portland and Oakland California, on trains Nos. 15 and 16 will be carried through instead of being cut out, as heretofore, at Roseburg.

Southbound, under this new arrangement, passengers holding proper transportation and Pullman accommodations may occupy these cars on the night leaving Portland until reaching Eugene at 12:32 a. m.

FRED PARKER, Agt. S. P. Co.,
31st Central Point, Oregon.

R. A. C. Astbury was in from his Rogue river orchard Saturday. He has just finished his winter planting of trees. Mr. Astbury recently sold a car of mixed grades of Spitzenburghs for \$2 a box f. o. b. at his railroad station.

For that Dull Feeling After Eating.

I have used Chamberlain's Stomach and Liver Tablets for some time, and can testify that they have done me more good than any tablets I have ever used. My trouble was a heavy dull feeling after eating.—DAVID FREEMAN, Kempt, Nova Scotia. These tablets strengthen the stomach and improve the digestion. They also regulate the liver and bowels. They are far superior to pills but cost no more. Get a free sample at Mary A. Mee's drug store and see what a splendid medicine it is.

Will Ask Fish For Rogue.

When Will G. Steel leaves for Washington to urge an appropriation for the construction of the Crater Lake road he will carry with him applications to the bureau of fisheries of the department of commerce and labor for fish with which to stock Rogue River and its tributaries. The Rogue River Fish Protective Association at a meeting held Thursday evening made out their applications and authorized Mr. Steel to represent them in urging the claims.

The application blanks were recently received from the bureau in Washington in response to a request for them. The applications have been filled out for rainbow trout.

The club is in a flourishing condition, nearly 100 members having signed the roll.—Tribune.

Now is the Time to visit California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied, pleasing recreations.

Southern Pacific Company

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California. Very low round trip excursion tickets are on sale to California. The rate from Central Point to Los Angeles and return is \$47.60.

Limit six months, allowing stop-overs in either direction. Similar excursion rates are in effect to all California points.
