**A Healing Salve for Burns, Chapped  
Hands and Sore Nipples.**

As a healing salve for burns, sores,  
sore nipples and chapped hands Cham-  
berlain's Salve is most excellent. It  
allays the pain of a burn almost instan-  
tly, and unless the injury is very severe,  
heals the parts without leaving a scar.  
Price, 25 cents. For sale by Mary A.  
Mee.

**Different.**

"What do you consider a woman's  
declining years?"  
"The years of youth and beauty.  
Then she declines all proposals. After  
that season has gone"—  
"Does she no longer decline propos-  
als?"  
"She no longer gets them."—Hous-  
ton Post.

**Best Treatment for Colds.**

"Most ordinary colds will yield to the  
simplest treatment," says the Chicago  
Tribune, "moderate laxatives, hot  
foot baths, a free perspiration and an  
avoidance of exposure to cold and wet  
after treatment." While this treat-  
ment is simple, it requires considerable  
trouble, and the one adopting it must  
remain indoors for a day or two, or a  
fresh cold is almost sure to be contract-  
ed, and in many instances pneumonia  
follows. Is it not better to pin your  
faith to an old reliable preparation  
like Chamberlain's Cough Remedy, that  
is famous for its cures of colds and  
can always be depended upon? For  
sale by Mary A. Mee.

**Fireproofing Textiles.**

Textiles may be rendered fireproof,  
according to the Paris board of fire  
commissioners, by steeping them in a  
10 per cent solution of phosphate of  
ammonia, then drying them in the  
open air.

**Rheumatism.**

More than nine out of every ten  
cases of rheumatism are, simply rheu-  
matism of the muscles, due to cold or  
damp, or chronic rheumatism. In such  
cases no internal treatment is required.  
The free application of Chamberlain's  
Liniment is all that is needed, and it is  
certain to give quick relief. Give it a  
trial and see for yourself how quickly it  
relieves the pain and soreness. The  
medicines usually given internally for  
rheumatism are poisonous or very  
strong medicines. They are worse than  
useless in cases of chronic and muscular  
rheumatism. For sale by Mary A. Mee.
