CARTER MAKES HAPPY HIT

Third Number Club Course Pleases --Next Number World Beater.

Perry Carter, who makes funny pictures for the Minneapolis Tribune as a business and gives illustrated crayon talks for the Britt Lyceum course as a side line, was the attraction at the opera house Tuesday evening in the third entertainment of the season given under the auspices of the Ladies' Improvement Club.

As a crayon wizard and a quaintly humorous joker Mr. Carter ranks high in the entertainment field and his work Tuesday evening delighted the largest audience so far of the season. That Mr. Carter's pictures please and that his jokes jolly and warm the cockles of the average heart was attested Tuesday evening by the hearty applause from the audience. Mrs. Carter, who is a gifted pianist and vocalist, accompanied her husband and assisted with the program.

The next number, January 2nd, will be Ye Old Time Quartette, which is said to be the most popular number of the entire course.

The club members who have assumed the burden of these entertainments are entitled to better support from the community than they have been receiving and the next number should have a packed house. It will be a disgrace to the community if this first high-class entertainment course should finish with a deficit which the club women will have to assume. Buy tickets for the next two numbers and induce all of your friends to do the same.

G. P. BANK LEADS SOUTHERN OREGON

Local Institution Shows Greatest Growth in This Section.

That Central Point and the rich fruit growing section immediately surrounding it comprises one of the most rapidly growing communities in Oregon is shown by the latest statement of the Central Point State Bank, which when compared with the statement of the same institution 12 months ago shows the wonderful increase in business in that time of 72 per cent. Probably no other similar institution of the same age in the Pacific Northwest can make an equal showing. The Central Point State Bank has been established more than four years and has enjoyed a steady growth every month since it was established. Since last spring, however, when J. O. Isaacson became president of the institution, the increase of business has been particularly marked. While conforming to the strictest rules of banking methods, Mr. Isaacson has followed a progressive policy, and the steadily increasing volume of business since that time is the best indicator of the status of an institution that is based on the natural wealth of the best apple and pear section on earth.

Mrs. Sarah Conley.

Mrs. Sarah E. (Pankey) Conley, wife of Rolla Conley, of near Tolo, passed away Sunday morning after a brief illness, aged 26 years, five months and 16 days. Deceased was the daughter of Mrs. Pankey, of this city, and a sister of John Pankey, the well-known logging contractor of Tolo. Besides her husband and two young children, many relatives and friends in this section will regret her untimely demise. The funeral was held Tuesday afternoon from the residence, interment being in the family plot in the cemetery at Sams Valley.

Confectionery Changes Hands.

John E. Ross, who for several years has been conducting a confectionery and cigar store in his building on lower Pine street, has sold the business to Henry Bedford, of Woodville, who will conduct the business in the future. Mr. Ross, it is understood, will enjoy a rest for a few months from the strenuous business life and incidentally will look after the welfare of certain wild ducks, etc., which may wing within range of his fowling piece.

DIST. PROPERTY SHOWS INCREASE

District Property Outside Railroad Properly Amounts to \$1,099,211

Outside the assessment on railroad right of way, depot and grounds, rolling stock and other accessories, as well as telegraph and telephone within the district boundaries, the assessed valuation of property within the confines of the Central Point school district amounts to the sum of \$1,099,211, as reported to School Clerk Jacobs recently by W. R. Coleman, county clerk. This is a considerable increase over any past assessment and insures the material welfare of the school kids for the next year or so.

Jackson county property is rapidly advancing in value with each passing year, which fact makes all of us look pleasant and smile sweetly when we pay taxes.

New Telegraph Service.

The Western Union Telegraph Co. has announced another innovation in telegraph service called the "Special Ocean Mail Service," designed to save time in foreign correspondence. A letter from San Francisco to London requires as much time crossing the continent as it does crossing the ocean. A New York merchant writing to Yokohama must post his letter practically a week before the mail steamer sails from San Francisco or Vancouver.

The Western Union has arranged for the use of its night letter and other telegraphic service in connection with outgoing ocean mail so that this week a transcontinental time may be saved. Its New York office will receive telegrams from any part of the country destined to European addresses and will forward them in sealed specially addressed envelope by the first outgoing Atlantic steamship mail. The same plan will be followed in San Francisco, Seattle and Vancouver for trans-Pacific mails.

This will enable correspondence to be dispatched from any part of the United States for an ocean mail within a few hours of sailing time. The only charge in addition to the usual telegraph tolls to the ocean mail port will be five cents for postage. Telegrams should bear the full mail address of the foreign correspondent for whom they are intended and marked "Care Ocean Mail New York," or San Francisco, Seattle or Vancouver, as the case may be. No charge will be made for the address.

The finest line of Toys and Holiday goods in the city at Mrs. Lesmeister's. Wheezing in the lungs indicates that phlegm is obstructing the air passages. BALLARD'S HOREHOUND SYRUP loosens the phlegm so that it can be coughed up and ejected. Price 25c, 50c and \$1.00 per bottle. Sold by Mary A. Moe.

SCHOOL DISTRICT SHOWS INCREASE

School Clerk Jacobs Reports Big Increase in District.

The school census, which has just been completed by school clerk Jacobs, shows a decided increase in children of school age in the district, although the increase is hardly what might have been expected when judged by the wonderful growth of the town proper. The school district embraces considerable territory outside the incorporated limits of the town, and, according to Mr. Jacobs, the school population in the outlying districts has decreased considerably, while the increase within the town proper shows a big percentage of gain.

The number of children enumerated this year is 405, as against 372 one year ago, and it is declared by the enumerators that the increase within the town is considerably more than 100 within the past 12 months. The reason given for the marked decrease in the country section is that many orchardists have removed to town, while others who have developed orchards and have growing families of school age have sold their holdings to non-residents and to men without families.

N. Jerry, the well-known miming man, was in town during the week.

Dr. E. Kirehgersner, a well-known resident of the upper Rogue River section, was in town Saturday.

Miss Beulah Caldwell of the public school teacher corps was a visitor at her home in Ashland over Sunday.

There is nothing more acceptable to a man for a Christmas present than a nice shirt. See our line of shirts before buying, as we have the finest line in the city.—Eli Jones, next door to post office. 35tf

The Ladies' Home Missionary Society of the Presbyterian church will meet at the home of Mrs. J. W. Merritt Wednesday, Dec. 21st, at 2:30 p. m. Topic: "The Mountaineers." Roll call, Believe Texts. A cordial invitation is extended to the ladies.

The December number of the Rogue Magazine is just out and is by far the handsomest and best issue of that periodical yet published. The magazine has recently been incorporated by Arthur Brown, who founded the magazine and is present business manager; Lynn Purdin, former publisher of the Central Point Globe and who is now editor of the magazine. The magazine has been doubled in size, and the typographical work is an improvement over any past issue. The Rogue Magazine will now be published on the old Globe plant, which has been taken over by the new incorporation and which, it is understood, will shortly be removed to Medford.

GOOD OLD BEN DAVIS

Not Much for Style but Dunlap Likes Results at Picking Time

A. J. Dunlap, the well-known orchardist, has finished packing his excellent crop of apples, which totaled more than 2000 boxes of first-class stuff. One small block of Ben Davis trees containing just 2 of an acre made a rather phenomenal yield of 667 boxes of fancy fruit, besides a number of boxes of culls and second grade. This is at the rate of 833 boxes per acre, which is going some for fair. Mr. Dunlap does not expect more than \$1.00 a box for Ben Davis apples this season but says that even at that low price there is a good margin of profit in such a crop.

Dennis Green arrived yesterday from Concord, N. H., and will make his home here. Mr. Green has been selected as secretary for the local Y. M. C. A.

The local lodge of the I. O. O. F. is getting a move on this fall and many new members are said to be in sight, insuring plenty of interesting work for the coming winter.

A. M. Turrill, the popular jeweler, is offering a fine line of silverware, etc., at cost in order to clear the lines and make room for new goods. Watch his ad next week.

L. R. England, of Ashland, was here a few days during the week looking after the prescription work in the England Pharmacy during M. E. England's absence in Portland.

Fine hand-bags, back and side combs, baretts, collars, handkerchiefs and many other useful and beautiful articles for ladies will be found at our store. Before buying your Xmas presents call at Eli Jones', next to post office. 35tf

F. F. Clark and family have moved to their new bungalow in Oak Park addition and A. P. Gillett and wife have moved into the Clark cottage on Oak street recently purchased by them.

At the regular Sunday afternoon meeting of the Y. M. C. A. Sunday Harry Tuttle, of Medford, who is one of the most popular and effective workers in that organization in this part of the state, was the principal speaker. The foundation for the new Y. M. C. A. building is being laid and the building will probably be ready for occupancy in the early spring.

Some people may have thought the boys had a crazy spell one night last week, but they didn't. It was all on account of the presence at "Uncle Tom" Kelson's of his nephew, T. F. Kelson, of Darby, and his bride, nee Miss Myrtle Chartran, of the same place, who were married that day. The charivari, however, was strictly up to the Central Point standard. 35d38

Wm. H. Cook, a veteran of the civil war and a member of the local G. A. R. Post, died at the Bowman farm west of town Monday and was buried by his comrades Tuesday. He was a former member of the 25th Michigan Infantry and was 68 years old.

Swellings of the flesh caused by inflammation, cold, fractures of the bone, toothache, neuralgia or rheumatism can be relieved by applying BALLARD'S SNOW LINIMENT. It should be well rubbed in over the part affected. Its great healing and penetrating power eases the pain, reduces swelling and restores natural conditions. Price 25c, 50c and \$1.00 per bottle. Sold by Mary A. Moe.

A farmer near this city received a note from a young man who had been writing upon his daughter. It read: "Dear Sir: Wood like your daughters hand in marriage. She and me are in love. I think I need a wife. Yours truly." The farmer replied by letter saying: "Friend—You do not need a wife, you need a spelling book."

Deep-seated coughs that resist ordinary remedies require both external and internal treatment. If you buy a dollar bottle of BALLARD'S HOREHOUND SYRUP you get the two remedies you need for the price of one. There is a HERRICK'S RED PEPPER POROUS PLASTER for the chest, free with each bottle. Sold by Mary A. Moe.

MILLINERY AT COST

As my millinery goods were not sold, as expected, I have removed the stock to my residence, one block west of the opera house, where the entire stock of lovely fall hats will be closed out at 50 cents on the dollar, all the balance at cost. Now is the time to get your millinery goods for next winter.—Mrs. E. Pleasants.

FOR RENT.

I will rent the space between the rows of a 5-acre, three-year-old orchard one mile west from Central Point. Will give all the crop for care of place.
