The little people are usually afraid of the dark, and a light bed room gives them confidence.
 But a bed room lighted by open flame methods takes away from the secure feeling of the parents. Use electricity for light and there will be no danger of fire to the tiny ones. They can turn it off and on without danger.
 Send for the man NOW.

OAK PARK ADDITION PRICES TO ADVANCE

Owing to the fact that property values in and around Central Point have advanced from 25 to 40 per cent during 1910, with the exception of property in Oak Park addition, we have decided to make a material advance in prices on all the remaining residence lots in this popular residence addition on February 1, 1911. The present prices have prevailed since this addition was platted one year ago and are now far below the prices ruling in other parts of the town.

If you want the advantage of the old prices and terms, buy before February 1.

Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine or know's composition. No counterfeit is as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trading with your most priceless possession—your health—may be your life itself. See that you get what you ask for.
