Remember the dance by the Rogue River Valley Band to be given Friday evening. A large number of tickets have already been sold and the affair promises to be the very best thing of this nature that has been pulled off here in many a day. Make it a point to be there.

Postmaster Guy Tex reports that the first days business in the parcels post department at the local post office amounted to \$7.95. This is looked upon as a very favorable showing for an office of this size and would indicate that the parcels post system would receive a liberal amount of patronage from local people.

W. C. LEEVER went to Portland the first of the week to attend the good roads convention in that city. It is expected that Mr. LEEVER will give considerable attention to good roads work in the county during his term as county commissioner and this visit is made with the idea of getting any pointers he can on this line of work.

J. H. Grace of this city received a letter from his brother in New York state recently in which is a notice of the death of his mother and stating that the funeral was held at Sedona, Erie county, New York on January 7. Mr. Grace's mother visited him in this city about a year ago when she made a visit to the west. She was 86 years old.

The few inches of snow which fell and remained on the ground for a day or two the latter part of last week tempted several to get out with some sort of a sled for a sleigh ride in Southern Oregon which we are told is something rather out of the ordinary—in the valley, at least. Even at that it was a pretty poor substitute for a sleigh ride.

Announcement has been made that the Shasta Limited which for years has been an exclusive Portland-San Francisco limited will now take passengers at some stops enroute, Medford being included in the new additions. An excess fare charge of \$5.00 on the price of the trip, however, is charged the traveler who would ride on this train.

Since 1867 Adam Sisemore had been a resident of Jackson county and for many years before that had been a prospector and frontiersman in this and other northwestern states taking an active part in the opening up and settling up of the country.

Redmond had a notable celebration the past week when the big potato warehouse lately erected by the co-operative efforts of farmers in that district was opened. This building marks the beginning of a movement among the farmers of Central Oregon district whereby a better market is offered for their products. Potatoes and other crops can be stored here and sold in large quantities when the market is best.

The invitation dancing party given by the Central Point Orchestra last Wednesday evening was not very largely attended there only being about thirty couple present. The inclemency of the weather was responsible in a large measure for the small crowd present as the storm and snow kept a good many at home who would have attended had the weather been more favorable. Nevertheless those who were there had a very pleasant time.

In the basket ball game at the Y. M. C. A. Friday evening between the Central Point Meteors and the Medford Military team the local quint had decidedly the best of it in a score of 49 to 13. The visitors were considerable heavier than the locals but our boys had the advantage in team work and easily made the points. Lowell Grim was put out of the game by a slight injury and Clifford Hatfield delayed the game a few minutes from the same cause but was able to continue in the game to the end.
