You Don't Buy Drugs **Unless You Need Them**

THEREFORE it must necessarily follow that when you buy drugs the best you can get is what you most want. Our long experence in this business has given us a pretty good insight into the numerous needs of patrons.

To those who are used to patronizing our store we feel that we have small need of emphazing the fact that we pay more than ordinary attention to the selection of our drugs and to the compounding of prescriptions that come to us. To those who have not been acquainted with us in our business dealings we

give this assurance and ask for a trial order. We charge you nothing extra for our long experience in the business but give you our very best both in work and material used at very reasonable prices.
