Use "Corona" Dry Arsenate of Lead and you'll get the best results. It's the powder that stays in suspension, has no sediment, and is uniform in strength. It's efficient, economical and convenient. Why buy water? "Corona" cannot dry out. At The Central Point Feed Store. 52tf

Whatever you may doubt, something there is which you deem true; however much is common and unclean, you have your gleams of what is surely holy; wherever you are weak, there is some matter on which your secret eye is clear and your foot is firm. Here is the ground on which your moral life is to be raised. Till you get down to the foundations of natural piety and touch sacred ground, you cannot raise the super-structure of either your knowledge or your action.

The baccalaureate sermon delivered at the Y. M. C. A. Sunday evening by Rev. Douglas of Ashland was greatly enjoyed by a large audience. The music by the high school students was also much appreciated. Rev. Douglas gave a very good talk on the theme, "What Seek You?" and pointed out that people usually found what they were looking for in the world of today. He advised, therefore, that the graduates turn their endeavors toward seeking only that which is good as in this the reward was certainly worth while.

The summer school session at the Oregon Agricultural College is designed to help the people of Oregon in preparing themselves to do better and more satisfactory work and to do it more economically. For this reason all students who believe that they can profit by the instruction offered will be admitted without examination or request for credentials. "It is presumed that all who apply for admission have a serious purpose and are of good moral character," says Professor E. D. Reesler, director of the summer school. "College credits will be granted when requested, to the extent to which the work accomplished is equivalent to the standards demanded in the regular school year. The regular college registration fee of \$5 is the only tuition charged. Those attending fewer than six weeks will be charged \$1 per week. This one fee admits students to as many courses as they can profitably attend during the entire session."
