The Table Rock ball team came over Sunday afternoon and played a game with the Central Point Cubs on the Oak Park grounds which the locals won by a score of 5 to 4. The teams are evenly matched and while there were plenty of bobbles on both sides it was an interesting contest from start to finish. In the first inning both sides retired scoreless but in the second Table Rock sent a man around the corners with the aid of a few loose plays by the locals. In their half of the third the locals came back with one run and tied up the count 1 to 1 where they left it for a couple of innings. Then the visitors went out and gathered three more by connecting freely with Grim's offerings and placing their hits in the hands of fielders who obligingly dropped the ball. The Rockers held the lead until the last of the seventh when the locals gathered enough to tie the score again. So it stood 4 to 4 when the Cubs came to bat in the last half of the finishing frame and when one score was brought in the game was discontinued. McCright and Force was the battery for the visitors. Walter Grim did the heaving for the Cubs with Sammy Marshall behind the bat.
