The big Closing Out Sale of Faber & McDonald still continues and people from far and near are taking advantage of the opportunity to make a big saving in the purchase of all kinds of merchandise. You can save from fifteen to fifty percent on the purchase of nearly every article that is needed in the home by making your purchases now at this sale. You will need shoes sooner or later and you can make a big saving by buying them now, both for yourself and the children. The same is true of ladies' and gents' furnishings, dress goods, dry goods and groceries. Don't think the bargains are all gone, for they are not; many good ones remain. But don't put off your visit too long. Try and get it before Saturday.

Every applicant for work will be given a thorough examination as to his qualifications, and no man will be sent out for any specific line of work unless he is fitted for it, thus leaving no room for the annual complaint that farmers are supplied with laborers who know nothing of farm work, at a time when the farmer was too busy to teach them. The first day the office opened there were more than 100 applicants for work were received, and as there are no fees or other expense connected with the service, it is expected that enough men will be available at any time to fill all possible demands.

Messrs L. L. Jewell and Frank South the old stand-boys of the Jewel Hardware company, have resigned their positions in the management of the concern and will confine their activities in the field for their firm. The active management of business taken over by Messrs W. D. Fry and A. W. Moon, both of whom are well known in the business circles of this community. Mr. Fry has been with the house for several years, and Mr. Moon is active in the promotion and a management of a number of most successful enterprises. He is a Grants Pass boy who has made good in every essential of the term, and his entry into the hardware company management brings strength to the organization. He still retains his connection with Moon and Williams Lumber company and with the other enterprises with which he is associated.—Courier.
