

CLOSING OUT TO QUIT

Business, Move or Enlarge New Lines

We are going to do one of these things quickly, and before doing so will close out present stock at
A Sacrifice of Profits, Beginning Feb. 19

and continuing until March 4, or until further notice. We are not going to take time or space to quote prices---just come to the store (Sturtevant's old stand two doors west of postoffice) and learn what a SAVING you can make. Many goods now on the shelves cannot be replaced at wholesale for what they are now retailing for---but they are going to be still higher. We are going to give you the benefit of our early buying. Now is the time to SAVE money. If you happen not to have it you can afford to borrow it and buy groceries NOW. Many articles will increase 25 to 50 per cent before the summer passes. These goods will keep six months or a year, and you can keep them at home as well as we can keep them on our shelves. Better buy now. Our present stock is fresh---some of it not yet unpacked and will be sold at wholesale prices, plus freight---no old stock. Shirts, collars, ties, hosiery all new; and coffees, cereals and other goods are now on the road and profits will be sacrificed. This is a bonified sale given for the reasons stated above. Eggs and good butter wanted.

Would Remind the Public to Prevent Sickness by Removing the Cause

T. D. BALLARD

a prominent druggist of Memphis says: "Much sickness could and would be prevented if the people would only remember that constipation is one of the first causes. As a reminder, I would suggest the slogan, "Rexall Orderlies, the laxative tablet with the pleasant taste." "I suggest Rexall Orderlies as I know their formula and believe they are the best remedy for relieving constipation. They can be used by men, women or children."

We have the exclusive selling rights for this great laxative. Trial size, 10 cents. PAXSON DRUG CO. THE REXALL STORE
