

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur it Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantage of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

YES! MAGICALLY! CORNS LIFT OUT WITH FINGERS

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender, aching corn or callous, stops soreness at once and soon the corn or hardened callous loosens so it can be lifted out, root and all, without pain.

A small bottle of freezone costs very little at any drug store, but will positively take off every hard or soft corn or callous. This should be tried, as it is inexpensive and is said not to irritate the surrounding skin.

If your druggist hasn't any freezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.

"This sidewalk," said the agent, "shows the kind of work we can do." "I see—a concrete example."

Removing An Excuse.

"Aren't you going to be uncomfortable when prohibition hits the town?" "No," replied Col. Stillwell, "I confess that I have a liking for good liquor and I want to see it given a fair chance."

"How will prohibition give it a chance?"

"It will bring these chaps who let you believe they would be wonderfully industrious and clever if they didn't drink to a showdown."—Washington Star.

"Ah, Mary," exclaimed Sandy, "ye are just as beautiful as ye ever were, and I ha'e never forgotten ye, my bonnie lass."

"And ye, Sandy," she cried, while her blue eyes moistened, "are just as big a leear as ever, an' I believe ye jist the same."—Liverpool Post.

A Misapprehension.

"I understand," remarked Mrs. McGudley, "that they're on the lookout for some speakeasy liquor around here."

"Yes. It is very objectionable."
"Is that so. I kind o' thought maybe as how speakeasy liquor might be better than the sort that keeps men up o' nights tryin' to sing at the top o' their voices."—Washington Star.

Business Weight.

"Our forefathers pledged their sacred honor when they started this country."

"How much did they raise on the pledge in cash?"—Baltimore American.

Here First.

Willie was boasting about his family. "Our folks came over in the Mayflower," he declared proudly.

"Huh! That's nothing," said Bobbie. "I guess they stayed with our folks the first night after they landed."—Boston Transcript.

"No, but my pocketbook was."

TAKE SALTS TO FLUSH KIDNEYS

East less meat if you feel Back-achy or have Bladder trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your waste and poison, else you feel a dull misery in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
