### CENTRAL POINT WINS

A very large crowd, considering the bad weather, witnessed the last of the championship basket ball games last Saturday evening. Jacksonville did not uphold their good name at all according to the very one-sided scores of both the boy's and girl's games. Their boys had beaten every team in the association except Phoenix, so we thought they would put up a pretty good scrap. They did play pretty rough and fast at first, but our boys were equal to it and soon wore them out, then ran up a big score and beat them at their own game. Score at the end of the first half, 4 to 5; second half 27 to 5.

The boys lineup:

Jacksonville scoring:

Free throws.....Singler, 2; Fleming, 2

Referee: Ruch.  
Likewise with the girls, Jacksonville had beaten every team except Rogue

River and our girls expected an interesting game at least, but were sadly disappointed. Jacksonville started out all right and got a field basket the first thing, but that was their share and all they got. Our girls simply out-classed them in all departments of the game. Score 32 to 2.

The girl's lineup:

Central Point	Jacksonville

Carlton.....rf.....Fleming	
Thornbrue.....lf.....Bailey

As a preliminary a freshman team from Medford, played a pick up scrub team of high school boys. This was the most exciting and interesting game of the evening. The rules were altered until they more resembled football and the players went in for blood. The Medford boys were much larger and had practised and played together while our boys were only pick ups and had never practised together as a team, so

we think they did pretty well to hold them down to a 10 to 7 score.

Our girls now and again claim the championship of the secondary schools of the valley and the boys came out second, being defeated only by Phoenix. Now Medford and Ashland had better beware. We were very much pleased with the games with the Medford girls last week. Thursday we took them by surprise and beat them 10 to 7. Medford wasn't satisfied and wanted to come back Friday. We had a championship game the next night so didn't care much about playing, but late Friday evening they decided to go on condition that Medford would give them a return game here, so the girls hustled down and found them all prepared for the onslaught. Not knowing what an easy game they had the next night, our girls endeavored to conserve their strength which together with a little bad luck caused our defeat. Medford thinks they got even but wait until Central Point gets them up here with a full team playing.

A carload of Willamette Valley oats was received yesterday by Ralph Waldo Ellen.

Col. R. C. Washburn and wife were Central Point visitors yesterday.
