TAKES OFF DANDRUFF, HAIR STOPS FALLING
Save your Hair! Get a 25-cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.
Get a 25-cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little danderine. Save your hair! Try it!

A Clever Opinion.

"Asking for your hand?"
"Of course."
"Yes, I wrote."
"That's strange. I supposed papa would be terribly angry. You know he doesn't like you."
"Yes, I know. But I fixed that all right. I—I didn't sign the letter."—London Saturday Journal.

Out of the Mouths of Babies.
On 6-year-old Frank's birthday he was naughty and had to be whipped. His mother attended to the punishment, striking him lightly with the brush three times. Without a tear in his eyes he said: "Say, ma, give me three more, I'm 6 now."
