

Red Cross Work Explained Last Sunday at Presbyterian Church

Last Sunday at the morning service, the Presbyterian church was well filled to hear the sermon, "The Triumphal Entry of Jesus into Jerusalem", by the pastor, Rev. Paul S. Bandy. The sermon was most appropriate for the occasion and the pulpit and choir loft were prettily decorated with flower plants and greens in commemoration of Palm Sunday.

After this able discourse by the pastor, A. S. V. Carpenter of Medford was introduced to the audience by R. H. Paxon.

Mr. Carpenter is a member of the Medford Red Cross committee and he briefly outlined the work and the purpose of the Red Cross movement. After a few remarks by Mr. Paxon, who had been appointed by Mr. Carpenter as his assistant in the work of interesting the people of Central Point in the Red Cross, a goodly number of those present signed the membership blanks passed around.

Mr. Paxon informed us Wednesday that 20 local people had signed up. He is very enthusiastic about the work and feels confident that Central Point will have an auxiliary of her own in the very near future. In fact he said he would take the time himself to call on all the business men and as many others as possible in order to insure the success of the effort.

Anyone interested in the work of the Red Cross should see Mr. Paxon at his drug store on Pine Street.

New York, March 25.—News dispatch from Austria-Hungary states that it is Austria-Hungary and not Germany that is ready for a revolution. The liberty-loving Hungarians, the Russian loyal Slavs, and the oppressed Bohemians, who are in the majority in the Dual Monarchy, will be the first to be inspired by the "new Russia."

Prineville has let a contract for grading the branch line connecting the city with the Oregon trunk main line. The distance is about 18 miles, and work will be commenced within two weeks.
