

Do You Know

BY FRANK H. HULL

Where you would have your remains shipped, should you join the army?

That Charles Gillmore made a good hall-tree?

How we can reduce the high cost of living?

That our local S. P. agent has joined the "less sleep" bunch?

That Sam Murray says he is going to enlist in the army? —Yes, he is going to enlist Hull.

That Anthony took unto himself a "Lizzie"?

That Opie says he is having the time of his life at Vancouver?

That we would consider anyone foolish who would not play setee for Miss Warner?

How much less you can live on than you are living on now?

That the man-tailored suits for women are returning?

That Johnnie Williams is always hunting bottles?—M. T. Bottles.

That many fishermen returned Sunday with a mess of colds?

That some wise guy has remarked, "Let the movies do all the fighting"?

Whether the German army will stay by the Kaiser?

Who hung Price's flag?

Economic Preparedness

A very important measure of preparedness, now that the United States is in the world war, is for each and every one of our farmer friends to sow every acre he can spare to grain this spring. Wheat, barley and corn are the essential grains, and most largely used by nations in war times. Large armies and navies would be of little use to defend us unless the men were properly nourished and their moral good.

In doing this we may make up in some degree for the reported shortage in the Middle Western States of winter wheat, which has been badly damaged by extreme cold and insufficient snow covering.

Let each one do his "bit" in these perilous times so that we shall not be at the mercy of our enemies.

Old Applegate Pioneer Dies

James W. Mee, for 55 years a citizen of Oregon, a veteran of the civil war, passed away on April 6, at 2:30 a. m., at the home of his son-in-law, M. F. Bingham of Applegate. The funeral service was held Sunday with a large crowd of relatives and friends attending, and burial was in Williams Creek cemetery. Many beautiful floral offerings were sent from many parts of the State.

Mr. Mee was born in Calais, France, August 24, 1834. His parents returned to Loughborough, England, when he was an infant. His mother died when he was 6 years old, when his grandparents took him. When 10 years old his grandparents moved to Chicago, where he lived till he was 18 years of age, when he came to Oregon to join his brother Thomas. He followed mining in Oregon and California for several years, later settling on a homestead at Applegate. He remained on his homestead for 50 years. In 1867 he was married to Mrs. Mary Zumawit, who survives him.

Mr. Mee was a man kind of heart, gentle of disposition, and made friends everywhere he went. He leaves a host of friends to mourn his loss, besides those closer bound by the affection of kinship.
