Are you enlisted in the "Food Preparedness" army? Are you raising your own garden and poultry?

R. H. Paxson, head of the gardening committee, addressed the public school pupils Thursday (to-day) on how to get the best results from the home garden—or intensified gardening.

We should plan to raise every bit of food stuffs that we need for our own consumption, for we are surely going to face a food shortage before many more months roll by. Don't waste a thing!

G. E. Johnson, head of the poultry committee, is going to take a number of the high and grade school pupils to Ashland next Sunday to see one of the finest poultry plants in Southern Oregon.

### Card of Thanks

We wish to express our sincere thanks to the many friends who were so thoughtful and kind to us during our late bereavement.

# The Men Behind A Bank

The most important thing about a bank is the character and ability of the men behind it: the men who direct its affairs.

The Directors of this bank are well qualified for their duties by reason of their conservative policies, sound judgment, experience, integrity and financial standing.
