### Items Overlooked Last Week

On the middle of the night of May 26 the citizens of Mt. Angel, Ore., heard a terrific report that demolished the Rex Theatre there, and the entire population rushed from their homes to see what happened. It developed that two brothers had been quarreling and one had set dynamite under the building belonging to the other for spite. Window panes in that vicinity were shattered, including those in a house owned by Dr. Mulkey of this city.

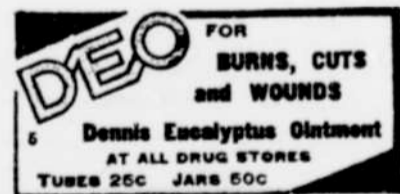

E. C. Faber, proprietor of "The Cash Store on the Corner," is a progressive business man, judging from the improvements recently installed in his store. Along one side has been added new bins and shelves that make his grocery department both handy and attractive. From hints given the Herald man, these are not all the changes contemplated. Watch this space for further news.

### H. W. Davisson Visits Los Angeles

H. W. Davisson, of Central Point, was a visitor on May 29th at the big exhibit of Southern California products maintained free to the public in the Los Angeles Chamber of Commerce. He also attended the lectures, moving pictures and concerts that are a part of the daily program. The exhibit is the largest of any in the country maintained by a commercial organization. Before returning home Mr. Davisson expects to visit several of the many other places of interest in Southern California. He was on his way home from the Presbyterian Assembly at Dallas, Texas.

This news item was sent us by the Los Angeles Chamber of Commerce. We must say we admire their wide-awake methods of serving the traveling public, and hence of obtaining favorable publicity. No wonder Los Angeles is so popular. Some of our Oregon commercial organizations could well take the tip.

Mr. George W. Walters, of King's Highway, who went to the Dow hospital at Central Point last Friday morning, was operated on by Dr. Dow that morning for a large tumor on his throat and the operation was entirely successful, although Mr. Walters is now in his eightieth year. Regarding the hospital, Mr. Walters says it is a first class institution and one is made to feel at home there at once. He is particularly grateful for kind treatment received at the hands of Dr. Dow, Mrs. Dow and the nurses.—[Medford Mail Tribune.
