W. E. Price, Jr., who received a broken collar bone at Weed, Cal., reported for duty last week, but the company extended his leave till June 18 in order to give the injured member ample time to get strong. So Mr. Price is back with us for a short time longer.

Mrs. W. E. Owens is reported to be doing nicely. She is still in the hospital at Portland.

Betts will buy all your old rubber and rope. Hotel Central, Central Point.

Leave your orders for rubber stamps at the Herald office.

Miss Josephine Bracons, who taught in the Domestic Science department of the High School last year, was married in Portland, June 6, to Mr. F. Kilally Greeve. After a short honeymoon Mr. Greeve will join his regiment, the engineers, at American Lake. Miss Bracons was well liked here and left for her home in Portland, leaving many friends who will wish her well in her new life.

Spring time is kodak time, and if you have't a kodak see Paxson Drug Co. Some nice ones from a dollar to twelve dollars.

Our young ladies are still busy thinning fruit in the nearby orchards. The new style ladies' overalls have come to stay, I guess.

Ar'n't you glad that Oregon has been "pulled out of the mud?" Although the majority by which the \$6,000,000 bond issue carried has been cut down to about 14,000, still that is a good number and goes to show that the people of Oregon are keeping up with the progress of the times.

The women should plan to can every thing possible to combat the H. C. L. Cowley's Emporium has a big stock of fruit jars and rubbers for this purpose.

Mr. and Mrs. George J. Treesh, who recently moved to our city from Mill City, have opened their new Cleaning and Pressing Parlors in the building across from the Presbyterian church. We are glad that we now have a cleaning and pressing establishment in our own city and believe that many of our Central Point boosters will give this new "home industry" at least a trial.
