The Quality in the Bag

On Our Next Delivery

let us send you a few bags of our extra fine feed. They won't cost you any more than you are paying now for outside stuff. It will only take a few trials, however, to prove how much superior in every way our feed is. It certainly seems good to and for the horses or stock. And what is good for them is good for you. Our line includes Bran, Shorts, Fine Midds, Oats, Rolled Barley, Poultry Feeds, etc.
