His predecessor, Mr. Ernest, has gone to Klamath Falls to accept a position in one of the city markets there. Mr. Lewis is a young man of clean character and is an experienced meat man, deserving the patronage of local buyers.

A. Nibley, manager of the Utah-Idaho Sugar Co.'s plant at Grants Pass, paid the Herald a visit the early part of this week. Mrs. J. Hill, who came here from Gold Hill, left this week for Weed, Cal., where she and daughter and little son will be near the husband and father. Mrs. Hill has a son in the U. S. Navy. Realizing what the Red Cross means to the boys in the war, she loaned the Gold Hill Red Cross society her sewing machine while there free of charge, and says the women took the best of care of it. Before leaving for California Mrs. Hill looked up Mrs. Palmer, the chairman of the local Red Cross auxiliary, and offered the use of her sewing machine free for the next month or so. Mrs. Palmer gladly accepted the kind offer and wished us to express their appreciation in mentioning the matter.
