State C. E.
Convention
Great Event

The greatest state Christian Endeavor affair ever held in this state closed at Salem, Ore., on Sunday evening the 21st. The delegates began pouring into the capitol city on Thursday and by night a great gathering had assembled. Before the sessions were closed on Sunday evening more than 1,000 delegates were registered from outside places and more than 300 Salem citizens were registered making more than 1400 in all. They were nearly all young people too. The pastors were conspicuous by their absence.

The people of Salem were at their best in caring for a convention. Mr. C. A. Wells headed the Salem committee and Judge Geo. Rossman was his associate chairman. They were surrounded by a goodly company of efficient helpers and never was a convention better cared for. The weather was typical spring weather in Salem. Part time rain down pours; part time cloudy and enough sunshine to brighten all else.

THE CRUSADER'S CONVENTION
Salem, Oregon
Theme: Victorious with Christ.
Verse: 1st Corinthians 15:57.
Evangelism.
World Peace.
Christian Citizenship.

A CHALLENGE TO OREGON'S CHRISTIAN YOUTH

This was the way the program led off and it was fully carried to achievement in those four wonderful days. We cannot take space to mention all the speakers and helpers, but Rev. Luther E. Stein of San Francisco was the chief speaker and while a new man up here, prov-

ed himself to be just the leader the young people needed. In every message he stressed the need of the knowin' Jesus Christ personally as a mighty Saviour. He pointed out the vanity of life without God in the heart.

Dr. Norman K. Tully, pastor of the Presbyterian church where the convention was held, gave two very helpful addresses, one on the condition of man without God, and

one on the Bible as the inspired word of God. Judge Geo. Rossman was one of the convention speakers. Rev. Paul C. Brown of Los Angeles, Pacific Coast Secretary of the International Christian Endeavor society was busy all the time and very efficient. Rev. Chester P. Gates, pastor of the East Side Evangelical church of Portland, gave a very fine address in the closing service on Sunday evening.

About twenty of the Endeavorers from the Crater Lake Union were in attendance. Rev. J. M. Johnson, Mrs. Geo. Davis, Miss Ruth Webster, Miss Beatrice Seabrook and Miss Amy Johnson represented Central Point.

Spring Showing of General Motors Cars.

This week, throughout America, the public is viewing the newest models of General Motors products. Check and mail the coupon below. It will bring this Spring Showing into your own home.

CHEVROLET—Last year the public bought more than 1,000,000 Chevrolets. This enabled Chevrolet and General Motors to effect one of the most remarkable feats in industrial history: almost overnight, Chevrolet was changed from a 4-cylinder car to a Six in the price range of the four. The new Chevrolet Six is new in every respect: smoother, more powerful, and luxurious bodies by Fisher. 7 models—\$525 to \$725

OAKLAND—General Motors' policy of continuous improvement is nowhere more noticeable than in the new models of the Oakland All-American Six. The distinctive style and advanced engineering principles which Oakland represents have made it a center of unusual public interest at automobile shows. All-American in name, the new Oakland is All-American in its qualities of speed, snap, power and stamina. Fisher makes the bodies. 8 models—\$1145 to \$1375

BUICK—This famous member of the General Motors family, year after year, has given increasing value. Over 2,000,000 Buicks have been built and sold and of this total 1,500,000 are still serving their owners. The new Silver Anniversary Buick, with masterpiece Bodies by Fisher, comes in three wheel-base lengths. All are powered by the Buick Valve-in-Head engine, which is vibrationless beyond belief. 19 models—\$1195 to \$2145

PONTIAC—Since General Motors introduced the Pontiac Six three years ago, its sales have practically doubled each year. Now General Motors offers, in the new Pontiac, a "Big six," at the same base price. It has big-car power, big-car performance and big-car luxury in the Bodies by Fisher. It is appealing particularly to families which are "stepping up" in car ownership. 7 models—\$745 to \$895

VIKING—There was demand for an 8-cylinder car of General Motors quality in the medium price field. General Motors chose Oldsmobile to design and build the new car, and three years were spent in its development and test. The result was revealed last month in the Viking, the latest member of the General Motors family. Viking has the world-famous 90-degree V-type engine and Fisher's newest creations in bodies. 3 models—\$1595

LASALLE—When General Motors introduced LaSalle, two years ago, it set a style which was widely copied both in America and Europe. The new models are as distinguished as the first. Built by Cadillac, LaSalle enjoys the same mechanical excellence: 90-degree V-type engine of 8 cylinders; transmission that permits gear shifting without noise or clashing at any speed. The bodies, by Fisher and Fleetwood, offer a choice of colors to express individuality. 14 models—\$2295 to \$4900

OLDSMOBILE—General Motors took this long-established car and remade it to provide a fine car at low price. Last year the value of Oldsmobile was so marked that the public bought over 50 per cent more than the year before. The new Oldsmobile models, with Bodies by Fisher, offer still further improvements — and the prices have been reduced! Oldsmobile also has new Special and De Luxe models, with extra features, at slightly higher prices. 7 models—\$875 to \$1035

CADILLAC—What more can be said of Cadillac? For twenty-five years the world's standard of comparison in the fine car field. The choice of kings, presidents and leaders of business and society in every country. To the unparalleled performance of Cadillac's 90-degree V-type 8-cylinder engine has been added the silent transmission and many new advances in design. Your choice of colors in bodies by Fisher and Fleetwood. 25 models—\$3295 to \$7000
