Bro. Gallager from Live Oak, (Rogue River) also made a few remarks on the marketing plan and believes in making a brother sore so he will talk and then you can get something out of him.

Brother Gallatin from the Talent Grange, gave us his ideas of the marketing plan and wants the producers to work in harmony.

Bro. Conger from the Jacksonville Grange, gave some important news in regard to the city public market in Medford, and it may be

a good plan for the Grangers to look into this matter.

NATIONAL CONCERN FAVORS NEWSPAPER ADVERTISING EXCLUSIVELY

The Pacific coast leads the entire world in the use of electric appliances, according to a recent statement made by J. S. Tritle of Mansfield, Ohio, general manager

of the merchandising department of the Westinghouse Electric Company, who is an authority on the subject.

The electric iron is the most widely used electrical appliance. Perhaps the electric washing machine comes next, and then, at least among the more important articles, comes the electrical range, he said.
