# CAMEL CIGARETTES

WHY CAMELS ARE THE BETTER CIGARETTE

Camels contain the choicest tobaccos grown . . . expertly blended for matchless taste and fragrance.

They have a welcome mellowness and mildness that you will find in no other cigarette. Smoke them as often as you like, Camels never tire your taste.

The quality of Camels is never permitted to vary.

Only a superior cigarette could have won and held world leadership for all these years as Camel has done.

### GATHERING IN THE "SUCKERS"

The National Better Business Bureau has estimated that questionable stock selling concerns issue "tipster sheets" which have a circulation of 15 million, to push the sale of questionable securities.

As a result of such activities, uninformed investors are defrauded of millions of dollars annually with little or no legal redress.

## ELECTRIFY FOR BETTER LIVING

### HAVE YOU TIME FOR FRIENDS?

Every woman who is raising a family finds the day all too short for the many demands of housework and children—but the far sighted woman will insist on keeping up her friendships and outside interests—she owes it to herself and her husband to be more than nursemaid and cook.

With the aid of the modern automatic electric range, busy women are finding it easier to ask friends in to dinner—it enables them to serve a well cooked meal and at the same time be a gay, well dressed, and attractive hostess.

Electric cooking is saving many women hours of watching, worry and work. It will do the same for you.
