

Word's Meaning Changed

A cockney is a native of London or one born within the sound of "Bow Bells." Originally it meant a spoiled or effeminate boy. It is derived from the word "cackling," meaning foolishly petting a person. Halliwell states that some writers trace the word to the imaginary land of Cock aygh, the rubber land of olden times.

Coloring of Ducks

In many species of wild ducks the males are large and strikingly colored. Their mates, upon whose shoulders fall the family cares, are smaller and dressed in somber garb, says Nature Magazine. The dun concealing colors of the female serve to protect both her and her eggs from the prying eyes of enemies.

A cool, clever dinner for sweltering August is given above. And another of its important virtues is the fact that it can be bought for a dollar—and will serve four people. The prices are given above. Here are the ways to make the dishes:
Sauerkraut Juice Cocktail: Season about three-fourths of a number 2 1/2 can of sauerkraut juice with Tabasco juice and chill thoroughly.
Walnut and Rice Loaf: Brown two tablespoons chopped onion in two tablespoons butter. Add one tablespoon flour and stir in one cup

milk. Stir until thick. Slightly beat one egg, and add hot sauce to it slowly; add one cup vacuum-packed walnuts, one-fourth cup crumbs and one-half cup brown rice which has been boiled and drained. Pack in a buttered loaf pan, and bake in a moderate oven (375 degrees F.) for about half an hour, or until crisp and brown on top.

Baked Tomatoes and Peppers: Shred one green pepper and mix with tomatoes from a number 2 can. Season to taste. Pour into a buttered baking dish and bake in a moderate oven until peppers are tender. Add one tablespoon butter and serve.

To make the salad, place a slice of chilled pineapple on a lettuce leaf, put a stoned date in the center, garnish with mayonnaise and serve very cold.
