NUMBER 20

Rogue Birds Bring Best Pool Prices

The 32 cent advance paid to valley turkey raisers in the Thanksgiving pool of the Farm Exchange Co-operative of Medford is about all they can figure on according to telegraphic advices received from G. N. Savage & Co., of New York City who handled the pool.

A general collapse of the turkey market due to a surplus of birds, and a tendency on the part of the buying public to lag, as a reaction from the Wall Street debacle, was given as reasons. At that, the Rogue River birds received the highest price of any section. The full returns on the Thanksgiving pool will not be available until late this week.

The Christmas turkey pool will open Wednesday, and so far the top price of 26 cents per pound will be offered. A guarantee fund of \$30,000 will be posted in the Jackson County Bank to cover this advance. Grading and shipping will be under the same conditions as the Thanksgiving pool.

It is estimated that there are 120,000 pounds of turkey left in the valley and available for the Christmas market. Ninety-two thousand lbs. were shipped in the Thanksgiving pool. Ninety per cent of the turkeys offered were No. 1 birds.

With the 32 cents advance on the Thanksgiving pool and 26 cents on the Christmas pool the average for the valley turkeys is 29 cents. This is from two to four cents higher than received by other coast district turkey raisers it is claimed.

SCHOOL EDITORS WILL MEET AT U. OF O. CONFERENCE

The annual Oregon High School Conference will be held at the University of Oregon this year on January 10-11, it was announced here. Four different groups will meet for the purpose of threshing out problems affecting high school activities.

The Oregon High School Press conference will be made up of editors and Managers of high school newspapers, monthly magazines and year books, who will gather at the school of journalism to gain points on publication. The Association of High School Student Body officers will also meet, as will the Girl's League Officers, and the faculty supervisors of student activities.

NEW HATCHERY COMPLETED IN CENTRAL OREGON COUNTRY

One of the most modern trout hatcheries in the United States has been completed at Fall River, thirty miles from Bend, by the state game commission. The old hatchery which supplied most of the fry for Central Oregon lakes and streams has been abandoned because of poor water conditions. In the new plant every modern idea has been incorporated. Water conditions are ideal, according to Matt Ryckman, superintendent of hatcheries. More ponds will be added as the seasons pass and in time the Fall River hatchery will be one of the largest in operation by the commission.

OREGON PEARS TOP NEW YORK MARKET

Oregon winter pears are selling in the New York Markets at a premium of from 60 to 70 cents a box over supplies from either California or Washington this year. The advantage for Oregon fruit comes from better harvesting and storage methods employed by growers and shippers of this state following development of improved methods worked out by the Oregon experiment station.

Rogue River Valley growers and shippers are following through this year by keeping Henry Hartman, pomologist on leave from Oregon State College, in the eastern market centers to make sure the fruit reaches consumers in the best shape possible.

Items of Interest (The Federated Churches)

All present were made glad on Sunday morning when six members of one family presented themselves for membership in the church. This is the second time recently when every member of the family, who were eligible, have been received.

The workers conference held on Tuesday of this week was the best one yet held. These conferences are gatherings of workers from rural Sunday Schools of Jackson and Josephine counties. They assemble here once each quarter for study of methods, bible themes, and for fellowship and inspiration. About forty active workers were in the conference this week.

The entire church and community are in heart-felt sympathy with the Martin family in the loss of their son, Archie. We can hardly realize the truth, yet we know that life is very uncertain here; but eternal life in Christ is our only real assurance.

Rev. and Mrs. J. M. Johnson attended the Worker's Conference in Grants Pass on Wednesday of this week where Mr. Johnson was one of the speakers.

Mrs. Geo. M. Davis was operated on at the Sacred Heart Hospital, on Monday morning of this week. The trouble was some "hold-over" from former operations. She is doing very well at this writing. All who know them are hoping for her speedy recovery. Mrs. Case, mother of Mrs. Davis, is assisting in the home of her son-in-law during the illness.

Mrs. Dr. Heckman who has been very sick at the Community hospital, is reported a little better by her special nurse this (Wed.) morning. This is glad news for all her friends. Perry Johnson and Perry Waddell who have been working on the highway north of Klamath Falls are now home, their work having been finished there.

Some of the workers from the church will hold services in Rogue River on Sunday evening. The church there is without a pastor at the present time.

Mr. James Johnston of Faith Home preached to a good congregation in the church here Sunday evening. Mr. Johnston is on his way to Canada where he will do evangelistic work with Lawrence Collins during the fall and winter.

JEWETT'S ENTERTAIN SENIORS

Mr. and Mrs. Jewett entertain the Senior class at their home Friday evening. A delightful time was had and all declare Mr. and Mrs. Jewett excellent hosts.

Those present were Helen Bush-Gloria Bolds, Marion Caster, Loomis Davidson, Mae Eicher, James Vincent, Amy Johnson, Robert Leosch, Delpha Milton, Roberta Reames, Elizabeth Scott, Louis Straub, Harry Snyder, Howard Snyder, Gladys Robinson, Ina Thomason, Ellen Virtue, Fred Virtue, Ruth Webster, Glen Wilson.

OREGON GIRL HONORED

A celebration in recognition of Oregon's third national 4-H club winner is being planned by the city of Eugene in honor of Miss Lois Bailey, Lane county girl, who has just won the Moses trophy as the most outstanding club girl and leader in the U. S. The club division of the state college extension service is cooperating in arranging the celebration for Dec. 21. This is the 3rd successive win for Oregon, others being Alex Cruickshank of McMinnville and Edgar Grimes of Harrisburg.

COMPRESSOR ARRIVES FOR REVENUE MINE PROPERTY

A new portable type compressor was unloaded at the local freight depot this week and transported to the Revenue Mine, commonly known as the old Wroten Pocket on Kanes Creek from which many thousands of dollars were taken by the original discoverers. The present owners anticipate developing the mine on a commercial basis and all plans are being made to ascertain the extent of the mineral values contained on that property. The work on the property is being done under the supervision of Henry Ray who until a short time ago has been employed at the Silvanite mine near this city. The Revenue is being developed by Seattle capital.—News, Gold Hill.

More Land Thrown Open For Entry

Notice is hereby given that the E 1/2 NE 1/4 Sec. 9, T. 33 S., R. 2 E., W. M., containing 80 acres is restored to entry, subject to the preference rights of ex-service men of the late war with Germany, December 18, 1929, at 9 o'clock A. M., at the United States Land Office in Roseburg, Ore. and open to entry by the general public on March 18, 1930, at 9 o'clock A. M. Applications may be filed in this office by ex-service within 20 days prior to the date of the opening or from November 28, 1929 to December 18, 1929 and by the general public from February 27, 1930 to March 18, 1930, if the land still be open to entry. All applications filed during this 20 day period will be considered as filed simultaneously, and if more than one application be filed a drawing will be had.

Ex-service men must file with their application for the land, soldier's affidavit, copy of discharge, and water hole affidavit. This land is re-vested railroad land and must be paid for at \$2.50 an acre—50 cents per acre at the time of filing, and \$2.00 per acre and commission when making final proof.

The following land will also be thrown open for settlement: The SE 1/4 SE 1/4 Sec. 9, W 1/2 SW 1/4 Sec. 21, NE 1/4 NE 1/4 Sec. 29, T. 34 S., R. 1 W., containing 160 acres; also SW 1/4 SE 1/4 and fractional NE 1/4 NE 1/4 Sec. 1, T. 36 S., R. 2 W., W. M., containing 79.92, acres making a total of 239.92 acres, are restored to entry, with power site reservation subject to preference rights of ex-service men of the late war with Germany, on Dec. 20, 1929, at 9 o'clock a. m., at the United States Land Office at Roseburg, Oregon, and open to entry by the general public, on March 21, 1930. Applications may be filed by the ex-service men within 20 days prior to the date of opening, or from November 30, 1929 to Dec. 19th, 1929 and by the general public from Mar. 1, 1930 to Mar. 20, 1930, if the land still be open for entry. All applications filed during this 20 day period will be considered as filed simultaneously, and if more than one application be filed for the same land, a drawing will be had.

Ex-service men must file with their application for the land, Soldier's affidavit, copy of discharge, power site election, and water hole affidavit. This land is re-vested railroad land and must be paid for at \$2.50 an acre—50cents per acre and fees and commissions when filing and \$2.00 per acre and commissions when making proof.

An easy method of slicing Boston brown bread is to wrap the loaf with a piece of string, cross the ends, and pull away from each other.

Rogue River Elects New City Officers

People began to realize that the time of Old Saint Nick was almost at hand after witnessing the unveiling in Grants Pass Tuesday night. Several people from here took their children to get a glimpse of Old Santa Claus and a gift from him.

Mr. and Mrs. Fred O'Kelley and son Cloyd motored to Eugene to meet their son Burwell and all had a Thanksgiving dinner together. Burwell is employed in Portland.

The little tots at school are happy to have hot lunches start once more. This is a great help to school children.

Live Oak Grange had a very interesting meeting Monday night. Mr. and Mrs. Oscar Shepherd gave their report of their trip to the National Grange held in Seattle, Washington.

The largest crowd of the season was at the dance in O'Kelley's hall last Saturday night.

The basketball players are expecting to show every one how they can win a game next Friday night when they play Butte Falls.

Mrs. Goodale and Mrs. Bailey who have been in the hospital in Grants Pass for some time were brought home this week much improved.

Mary Laws who has been employed in Portland for several months is home to visit her parents until after Xmas holidays.

Mr. and Mrs. Geo. Chase from Yreka Calif., paid their friend Mrs. Seamon a visit. They have been friends for 50 years.

The annual City election took place last Monday. There were only seventeen votes cast and Mr. Sparks, Mr. Hatch and Clarence Steihl were elected for a two year term on the council and Al Love was elected for a one year term.

N. C. O. Miller of Oakland, Calif., was a holiday caller at Sandry's.

Mr. and Mrs. Harry Wilkens from Grants Pass were callers in Rogue River last Wednesday.

Mr. and Mrs. Wm Lannigan, owner of the butcher shop in the Piggley Wiggley store in Grants Pass were Sunday afternoon callers at Loves.

A call came to Rogue River for fire fighters to fight flames on the Applegate. Three car loads of men left that night to help.

A few drops of rain fell here, Wednesday morning. Every one is longing to see a good rain.

P. T. A. to Meet

The Parent-Teachers Association will meet Friday, December 6. Business meeting at 3:00 p. m. Program at 3:30.

Mrs. Ruby Lawrence National Committee woman of the P. T. A. will be the speaker of the afternoon.

MANY STUDENTS AT U. ARE SELF SUPPORTING

Students who are wholly or partially self-supporting at the University out-number the students who depend on others for support more than two to one, figures announced by Earl M. Pallet, Registrar, show. Out of 2993 regular students on the Eugene Campus, 1957 earn all or part of their way, while only 942 come in a classification called "less than 10% self-supporting". Ninety four failed to state an answer to this question.

The figures show the surprising number of 792 students or more than a fourth, entirely self-supporting. Of this number 607 are men and 185 are women. Students earning more than half of their way total 1488, or half of the student body. Of this number 1145 are men and 345 are women.

Only 192 men out of a total of 1500 earn less than 10 per cent of their way, it is pointed out. This figure is held to be one of the most significant, since it indicates that the university is a strictly democratic institution, with an absence of the type of "coonskin" student so often found in colleges and universities.

"These figures prove that young people of Oregon are determined to get an education and that they are willing to sacrifice for it," says Dr. Arnold Bennett Hall, president of the university. "This is undoubtedly one of the reasons for the fine democratic spirit found on our campus, a spirit that finds expression in the remarkable achievements of the students both while in the university and after they are graduated."

Students are willing to do any kind of work in order to earn funds for school it is stated by Mrs. Charlotte Donnelley, and Miss Dorothy Thomas, employment secretaries. Mowing lawns, putting in wood, housework, janitor service, typing, bookkeeping, and even working as firemen in the city fire department, and a wide variety of other jobs are found by students. One trio of ambitious young men put themselves through school last winter by running a line of traps up in the McKenzie River country.

MAIL ORDER COMMAND

1. You shall sell your farm products for cash where you can, but not to us, for we buy nothing from you.
2. You shall believe us, and buy all you can from us, for we want your best, because we do not know you personally.
3. You shall send the money to us in advance so that we can buy the goods with your money; you may have to wait a few weeks but that is our business method.
4. You shall get help from your nearest city or village to build good roads, so that you may easily haul goods from the depot, but do not ask help from us—we don't help to build good roads.
5. You shall buy church bells and altar utensils from us and send the money in advance—that is our rule.
6. You shall get all the help you can for your church from the business men in your nearest village or city, for, although we have more profits from you than they have, it is against our rules to give to churches.
7. You shall convert your neighbors, also, to your faith in us, so that they will buy from us, we have room for more money.
8. You shall look at the pretty pictures in our catalog as often as you can, so as to strengthen your desire for things you do not need, but which you may order with other goods to save freight. Send us all your ready cash so that you may not have any of it left to buy necessities from your home dealer.
9. You shall believe us rather than your home business men, for we want your trade. We get to be millionaires on your support. Don't be bluffed.
10. You shall call on the business men of your own vicinity for help and credit, if you meet with hard luck, trouble or sickness. Its your money we want; we don't know you unless your order is accompanied by cash.—Center, North Dakota, Republican.

Health Assn. Opens Drive For Revenue

The Jackson Co. Health association has started on its annual drive for funds to carry on its most beneficial work.

The most important work of every individual in a community is to assist in maintaining and bettering the health of the community which will mean healthy, happy children in homes and schools.

Work of the association comes under the following heads.

1. Maintenance of three Public Health nurses.
2. School Inspection and Health examination.
3. Pre-school and infant clinics.
4. Providing milk, medicines, supplies, X-ray examinations, clothing, bedding to patients who are in need of same.
5. Benefit of an early diagnosis.
6. Supervising of sanitation of Tubercular patients, their children etc.

The death rate reduction in Oregon has been from 95 to 62.

We are proud of the record that Oregon stands amongst the first twelve in the U. S. on its health work—Let us go on with this and reduce it still more.

The association hopes that the good citizens of our county, especially those who have attained parenthood, will not only commend and appreciate the work done, but will purchase the stamps sent to them, and consider it an obligation and pleasure to do so.

Junior Class to Present Play

The Junior class of the Central Point high school will present the play, "The Mummy and the Mumps" at the high school auditorium Friday December 13.

THE FEDERATED CHURCHES

J. M. Johnson, Pastor
"Helping Our Neighbors in Need" is the practical title of the lesson we are studying this week. The text is found in Matt. 25:31-46. The story is, in fact, the account of the judgment of the nations for their treatment of God. Don't miss the Bible Class.

Interesting live discussion of the lesson in the young people's devotional meetings. "What Is Back of our Christmas Giving" is the topic. The scripture is found in Matt. 2:1-11 1st Cor. 13:3. All are welcome.

"The Communion of Saints" will be the subject of a short sermon in the morning service when a general reception into fellowship into the church will be given those who have recently presented themselves for membership. In the evening, "Another Great Invitation of the Master" Good Singing will help our worship. Come.

Notes from the Game Commission

Eastern Brook trout eggs are being taken at East lake by employees of the hatchery department of the state game commission. The eggs will all go to the Fall River hatchery. More than 1,500,000 yanks or land-locked blue back eggs have been taken from Wallowa lake. Fish from these eggs will all go back into Wallowa Lake.

More than 400,000 trout fry have been planted in the streams of Curry county by the state game commission during the past two weeks.

With the fishing season at an end, sportsmen all over the state are now looking forward to the spring opening.

The long spell of rainless weather has not caused any damage to fish in any part of Oregon, according to Harold Clifford, state game warden. The streams are all low, and fishing has been bad as a result. One favorable condition is the cold weather which has accompanied the dry period. There is more oxygen in the water during cold weather than any other time and fish must have oxygen to live and thrive.
