H. W. CONGER

Funeral Director

Located in Medford on West Sixth this is the most modern and up-to-date Funeral Parlor in the city. They maintain motor driven funeral cars, and are prepared to render unexcelled service in any part of the community.

In a comprehensive business review of this kind, embracing as it does, the most salient features of our commercial progress, we cannot fail to devote time to the professional status of the community and justly so to a profession which is so essential as that of a funeral director, this community possesses an efficient representative of this well known firm.

Since the foundation of their business, they have always been most careful to give the best service. Not only has this accrued to the benefit of the public, but has built for them a reputation that has spread for miles around.

As is well known they have conducted some of the largest funerals ever held in this section and in an admirable manner. Their excellent facilities make it possible for them to render complete service. They are to be congratulated upon the service they are rendering to the people of this section.

CALIFORNIA STUDIO

High Class Photography

With up-to-date studio in Medford at 128 E. Main.

This studio is under the able management of Mr. A. J. Anderson, and is the Art center for this section and enjoys an excellent patronage from Medford and all the surrounding territory.

In a review of this character it is eminently fitting that we devote some of our space to a testimonial of the excellent work performed at this studio in the successful practice of an interesting and artistic profession.

The art of photography which was introduced by Daguerre nearly a century ago has within the period developed from a mechanical trade to an art of science. As regards the

photographer of today he must be a person of advanced ideas and thorough training so as to successfully compete with those who are now making this profession an art. As this studio is in charge of finished photographers who have made a life study of this interesting and artistic profession, they never let an opportunity pass to improve themselves. And all work is finished here in this studio by Mr. A. J. Anderson.

They have in this studio, which may be termed this section's art center, the latest mechanical devices for the production of artistic photographs, and are admirably equipped to produce anything in the way of

modern photography to please the most critical.

In the artistic production of children's pictures they have gained well merited commendation and have an excellent display including photographs of many well-known people of this section.

We might make this suggestion—that a Portrait Picture will make an excellent gift and would advise our readers to make an immediate appointment for a setting.

The business is under the direction of latter-day business men who appreciate the value of good service as a trade winner and they and their associates are always anxious to accommodate their patrons.

AL. G. BARNES BIG FOUR-RING CIRCUS WILL EXHIBIT AFTER-NOON AND NIGHT at Medford, on Wednesday, May 12.

The announcement of Al. G. Barnes 4-Ring Circus appears in this issue. The coming of this organization is welcome news, as the Al. G. Barnes Circus is on that always presents a clean, wholesome and entertaining program.

This year, according to announcements, the circus has been greatly enlarged, and in addition to the all new spectacle of Pocahontas at the Court of Queen Anne with the enormous cast, selected from the 1080 employees, other new features are:

180 horses in one big act, The Foz-Ton Tribe of Arabs from the Sahara Desert—their first visit to America, The Canton Troupe of Chinese Circus Artists, The Imperial Midget Family from Bavaria, Joe Martin (himself), The Giant Gorilla Man, Lotus, the only performing hippopotamus in the world, and the Famous Exclusive Al. G. Barnes Feature—40 Dancing Horses and 40 Dancing Girls, and Al. G. Barnes appears in person at each performance.

Owing to the enormous size of the circus this year, the management announces that no street parade will be given in any city visited, however, in place of the omitted procession, a mammoth Open Air Free

Exhibition will take place on the show grounds at 1:00 and 7:00 p. m., immediately preceding the opening of the doors to the circus, and the largest traveling manager in the world, comprising over 400 rare animals from all quarters of the earth.

The circus performance starts promptly at 2:00 and 8:00 p. m. Ample parking space for autos is reserved on the show grounds and a City Ticket Office, where numbered reserved chairs may be obtained at same price charged on the show grounds, is maintained in each city.
