

# HIGH SCHOOL SUPPLEMENT

By Forrest Pickett and Moore Hamilton

## ALFRED POWERS GIVES ADDRESS COMMENCEMENT

15 SENIORS RECEIVED DIPLOMAS  
AT EXERCISES

Interesting Senior History Given by  
Superintendent Jewett

Alfred Powers of the University of Oregon gave the address for the commencement exercises of the Central Point high school at the gymnasium Friday, May 28, at which 15 students graduated.

Those graduated were: Georgia Adams, Earl Beall, John Bohnert, Edith Copinger, Jennie Eicher, Carl Hover, Roland Hover, Forrest Pickett, Wilda Richmond, Bernice Shaw, Orval Shores, Jerome Smith, Annabelle Walker, Anna Wolff, Fred Wolff.

The program of the evening was:

Senior March..... Virginia Hathaway  
Invocation..... Rev. I. G. Shaw  
Instrumental.  
Salutation..... Forrest Pickett  
Valedictory..... Georgia Adams  
Vocal Solo—"Waltz Song" Harriette Ware

Miss Margaret Huntoon

Address..... Alfred Powers, U. of O.  
Presentation of class..... H. P. Jewett  
Presentation of Diplomas..... H. T. Pankey  
Violin..... Miss Mildred Burger  
Piano..... Miss Bernice Burger  
Benediction..... Rev. J. M. Johnson

The history of the graduating class reveals some interesting facts. As Freshmen 27 students started, 4 additions, the class has dwindled down to 15 members, two finish at Medford, six not now in school, four to finish next year, two are married, and two are unknown

Students attending 4 years, 21; 3 years, 1; 2 years, 6; 1 year, 1.

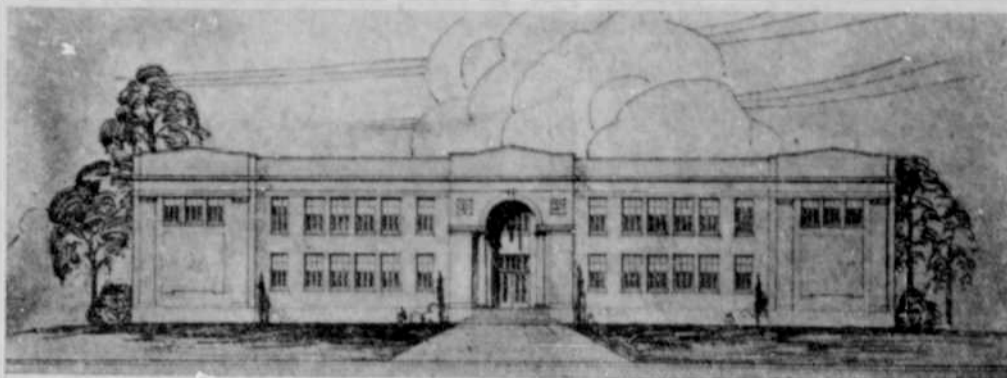

## GRADUATES FORM AN ALUMNI ASSO.

ANNUAL REUNION PLANNED FOR  
HOLIDAYS

An alumni association, a long needed auxiliary to the Central Point high school, was organized following a reunion of graduates after the high school alumni basketball game Monday, December 28, 1925.

Officers were elected, among them Earl Weaver as president, a constitution drawn up and plans made for the next annual meeting to be in the form of a banquet during the Christmas holidays of 1926. Membership dues have been received from many according to Mildred Burger, secretary, and the success of the 1926 banquet is assured.

A close account of all graduates will be kept by the association, and anyone wishing information as to the whereabouts of any member can get the desired information from the secretary. News concerning any alumni will be appreciated.

## Modern High School Structure to be Complete September 13

Construction is now progressing rapidly on this new high school structure, for which a bond issue of \$40,000 was voted February 11 for the purpose of constructing and equipping. It will be ready for use at the beginning of the fall term in September. The building is located on the present school grounds facing the Pacific highway and it will be so placed that a central heating plant between the new building and the present school house will care for the heating of both.

The building will be of reinforced concrete with a stucco exterior, finished with Medusa white. It has a front of 148 feet with provisions for future class rooms to the number of fourteen or eighteen, at the rear. The present unit under construction contains a large study hall and nine class rooms capable of accommodating 350 students. The department basis is being used. The commercial department consists of two rooms separated by a glass partition, one room to be used for typing, the other for bookkeeping and shorthand. The typing room has a maximum capacity of 20 and the bookkeeping of 30. Two rooms, one to be equipped for laboratory and one for lecture work, constitutes the science department. The domestic science department consists of two rooms, one the cooking laboratory, the other the sewing and art room. Both of these rooms are large and well lighted and will be thoroughly equipped. Provisions are also made for classes in English, languages and mathematics. A teachers' rest room, superintendent's office and library are all carefully planned and placed to produce an efficient administration of the schools.

A bell system with program clock; modern heating system; electric lighting, in all rooms; an adequate ventilating system, light and airy toilets with magnesite floors; magnesite tread on stairs; fire bells on all outside doors, and light finish in woodwork, are several other features which will put this building in a class by itself.

The sum of \$38,856.02 will cover the cost including general construction, heating and plumbing, electric wiring, architects' fees, inspector blackboards, lighting fixtures, and wiring for the electric clock system. Contracts totaling \$36,434.30 awarded for the construction include the general construction for \$28,536.32 awarded to R. I. Stuart and Gilbert Stuart of Medford. The heating and plumbing contract awarded to Keyser and Schmide of Roseburg, at \$6,895.53, and the electric wiring contract let to the Peoples Electric Store at Medford, at \$1,002.45.

## Student Body Officers of 1926

Forrest M. Pickett, president  
Orval L. Shores, vice-president  
Georgia Adams, secretary.  
Donald Wilson, treasurer

As the school draws to a close for the summer vacation the officers of the Student Body will automatically discontinue to hold office. Even though they pass out of office this year they will be remembered for their ability as capable leaders of the student body association.

The student association officers are elected at the close of the school year by members of the association. The officers elected for the ensuing term are: President, Rafael Benson; Vice-president, Evelyn Hamilton; Treasurer, George Elden; Secretary, Leota Reames.

## Honor Cup Won by Carl Hover

The Honor Cup, presented to the Central Point high school in 1922 by E. H. Hedrick, then superintendent of schools of Central Point, is awarded at the close of each school year, to the Senior of the highest standing in scholarship, student activities and popularity. It is awarded to Carl Hover this year.

Realizing the value of a goal that will inspire a student to greater efforts and a suitable award for the added endeavor. Mr. Hedrick decided upon a silver loving cup, upon which the winner's name is engraved each year.

Miss Eva Nealon, '22, was the first to be awarded the cup. Benton Boyce, '23, Donald Ross, '24, Carl Boswell, '25, and Carl Hover, '26, are the succeeding winners.

These names stand, inspiring to under graduates, desired by upper classmen and envied by those who have been graduated. They signify the apex of diligent study, a desire to place Central Point high school among leading schools of the valley, and the value of being congenial.

Rules governing the awarding of the cup are as follows: The student must have spent at least three years at Central Point high school immediately preceding graduation, and that 1-2 of his or her grades must be A or B or both, and shall have no grade below C, or 80.

Grades for the one year the student may have spent outside of Central Point high school will be accepted at face or at what the principal may determine to be their real value. No activities engaged in in any other school may be counted in points necessary to win the cup.

I. Student Activities—Fifty points may be earned by participation in student activities in Central Point high school. The number of points for each activity are specified in the records of the student association.

II. Character—A possible 30 points may be granted by the high school faculty, each faculty vote to count such a number so that a unanimous vote will equal 30.

III. Good Fellowship—A possible 26 points may be given by a vote of the high school student association, each vote to have such a value that a unanimous vote will equal 26.

IV—No student shall be eligible to be voted upon by the student association who has not been nominated by the student body by a majority vote of the faculty.

All voting to be done by secret ballot.

## EVA NEALON AT UNIVERSITY OF O. WINS HONORS

SIX FROM CLASS OF ELEVEN '22,  
ATTENDING COLLEGES

Masters Degree Won by Eula Benson  
At "O."

Eva Nealon: Completing her third year at the University of Oregon, where she is taking journalism, majoring in short story writing. She was elected to membership in Pot and Quill, national literary society last winter, and last Friday she was pledged to Theta Sigma Phi, national professional journalistic fraternity for women. She was awarded an Oregon "O" for a year's faithful service on the staff of the Emerald, U. of O. daily paper, and was given a \$5.00 prize for being the best reporter on the staff. Of late she has been serving as day editor on the paper. She was in charge of the annual Emerald banquet Friday, at which the awards were given.

Ernest Harris: Studying forestry at the University of Washington.

Annette Heckman: Annette is a Senior in Physical Education at the University of Oregon. She is secretary of the Women's League this year.

Eula Benson: Receives her degree in mathematics from the U. of O. this spring, and was elected to membership in Phi Beta Kappa, national honorary scholastic fraternity.

Moore Hamilton: Sophomore in commerce at O. A. C. He has been appointed to the staff of the O. A. C. Daily Barometer, official college publication, and is a member of Tau Delta, local social fraternity.

Lorna Hamerick: Attending San Jose teachers college, at San Jose, California.

Norma Ellstead: Teaching school in California.

Oscar Anderson: Married, living in Portland, Oregon.

Johnnie Grimm: Living in Central Point.

Earl Weaver: Working in his father's store in this city.

## MISS KITTREDGE REUNION HEAD

LOCAL TEACHER TO TEACH IN BEND  
HIGH SCHOOL

Miss Marie E. Kittredge of the home economics department in the local high school, who at the close of the school term went to Corvallis where she spent this week in connection with her duties as chairman of the class of '24 reunion breakfast committee, will return to her home near Silver Lake, Oregon, next week.

Miss Kittredge was initiated into the Alpha Delta Pi, national social sorority, Sunday morning, and has the distinction of being the first of the ten alumni out of fifty to be chosen for initiation.

Miss Eleanor Saubert who for the past school year has been the instructor in the commercial department and director of girls' athletics in the Central Point high school, has accepted a position with the high school of Bend, Oregon.
