

Local Hoopsters Win Championship

BOYS' BASKETBALL

Central Point high school boys' basketball team had an unusually successful season, going through their conference games without a single defeat and winning the championship game by a score of 71 to 9. This 1926 championship hoop title is the first basketball title the high school has captured since 1916 when they won the record they now hold.

The team scored a total of 565 points to their opponents' 243 during the season. Each player's score for the season was: Shores, guard, 120; Faber, forward, 173; Pickett, forward, 216; Benson, center, 18; Hamilton guard, 7; Hover, sub, 1; Beall, sub, 1.

This track team won for C. P. H. S. the annual Jackson county track and field meet silver award in 1925, making Central Point schools the county champs for the fifth successive year. They won the meet of the Jackson county fairgrounds April 25, by a score of 171.5 points, which gave them a margin of 29.5 points over their closest rival Phoenix, who ran up a total of 146 tallies.

SECOND STRING MEN—BASKETBALL TEAM

"OLD TIMERS" WON TENNIS TOURNAMENT

Earl Leever, Edmond Morris and Moore Hamilton, comprised the only C. P. H. S. tennis team on record as representing Central Point in a valley tournament, returned from Ashland May 12, 1922, with the crown of victory shining from their swollen heads.

Leever and Morris, the doubles team, easily won from Phoenix in the finals. Leever, the man with the wicked swerve, threw down such a barrage of speedy curves and "dead balls" as to keep opponents continually on the defensive. Morris, another man, backed up Leever's attacks with infinite skill and persistency, his accurate placing of the ball adding greatly to the winning of the victory.

Hamilton, playing singles, lost the first set to Phoenix in the finals, then rallied and won the second after being forced to a long set. The third and deciding set was easily won as Phoenix, due to poor condition, blew up entirely, giving the set, match and tournament to Central Point.
