House for Rent—Five rooms, close in. Inquire at this office.

SAM'S VALLEY

Mr. Burton of the Sam's Valley Store, is having a well put down from which he hopes to obtain a good flow of water for domestic use. John Jones and Glenn Rogers are in charge of the work, having reached a depth of twenty-two feet. There was a small flow of water coming in.

Clarence Welhite of the Lake creek district was in the valley last week transacting business.

S. S. Abbott was making some improvements on his house last week.

The Hallowell threshing rig is in the valley this week and they are threshing grain for the farmers in this district. They were delayed for several days because of a breakdown, else they would have been here last week.

Rex. Abbott and Walt Strauss came over from Klamath county Saturday evening and spent Sunday with relatives and friends, returning to their work Sunday evening.

Mr. and Mrs. F. M. McKinnis and daughter Wenonah, were guests of Mr. and Mrs. A. L. Baker at Ashland last Sunday, when Mrs. Baker gave a picnic dinner in Lithia park in honor of Mrs. McKinnis' birthday.

A few members of Sam's Valley Grange attended the Pomona meeting of the order at Medford July 24 and they bring back reports of some good speaking on farmers' problems and taxation.

Tom Wright and family are moving to their new home this week. They recently bought the Harper place in the Table Rock district.

Sam's Valley Grange will hold their First Annual Picnic at the Club Grounds near the school house, August 14—and they extend a cordial invitation to all farmers, Grangers and families to attend. A good program of sports, games and music is being arranged. Also there will be some good speakers to make talks on Farm Problems. Bro. C. E. Spence, State Market Master, of Portland, and Bro. C. H. Bailey of Roseburg, who is editor of the State Grange Bulletin, will be the main speakers of the day.

"Tex for Pro-TEX-ion" for all kinds of insurance.

LEAPS ERE AUTO HITS FREIGHT

Jumping out of the car just before it was struck this forenoon at 11:30 by a slow moving freight train on the Southern Pacific tracks at the McAndrews crossing at the end of North Central avenue George L. Myers, of Central Point escaped what could have been serious injuries. The auto, badly rammed on one side, was completely turned around by the impact of a box car, which at the same time shoved it away from the track.

Myers claims his vision was impaired by an oil tank car, which hid the northward moving box car from view. Myers, driving west, apparently unable to stop at close notice, jumped out, the auto moving on.—(Sat) Medford Tribune.

Several of this year's high school annuals were left at this office for sale at \$1.00 each. Come quickly, while they last.

A thorough cultural and professional scholarship is the outstanding characteristic of the State University.

Training is offered in 22 departments of the College of Literature, Science and the Arts.

Architecture and Allied Arts—Business Administration—Education—Journalism—Graduate Study—Law—Medicine—Music—Physical Education—Sociology—Social Work—Extension Division.

51st Year Opens September 27, 1926

For information or catalogue write The Registrar, University of Oregon, Eugene, Ore.

Donald Snyder, former high school student here, was in town Friday night from Klamath Falls, enroute to Santa Cruz, California, where he will be employed in the grocery store of an uncle. Donald expects later to go to Salt Lake City, where his father has an insurance business.

"Tex for Pro-TEX-ion" for all kinds of insurance.

The American does all kinds of printing. If it can be printed—we can do it.

Don't suspicion every car you see parked along the road. It may be that some of them have the gasoutis, and are awaiting for the supply doctor. Two sides to everything. There's good health, and poor health, wealth and poverty; true and untruth male and female; heaven and hell and republicans and democrats.

House for Sale
Close in, large lot, \$200 cash; \$300 terms, if taken at once. Inquire at this office.
Brick Ice Cream at Damon Cafe.

Science for Service

True education combines theory and practice, and its goal is service. Oregon's Land-Grant College affords the liberal training essential to personal culture and civic efficiency, combined with special training for leadership in fields vital in modern life.

Basic and General Training—

In the School of Basic Arts and Science and the departments of Industrial Journalism, the Library, Physical Education, and Music.

Technical and Special Training—

With curricula leading to the bachelor's degree in the schools of
AGRICULTURE HOME ECONOMICS
CHEMICAL ENGINEERING MILITARY SCIENCE
COMMERCE MINES
ENGINEERING PHARMACY
FORESTRY VOCATIONAL EDUCATION

Graduate work is offered in most of the schools. In addition to the Resident Instruction, the Experiment Station and Extension Service specialize in the application of science in every-day life.

FALL TERM BEGINS SEPTEMBER 20

CORVALLIS

Take ice from your kitchen lamp-socket!

It's as simple as that!

The same economical electric current that does everything else about the modern house now delivers ice, too,—direct to your refrigerator without fuss, drip or bother.

Just attach to a kitchen lamp-socket. Put your hand inside and feel the air grow cool—cold—ice-cold—colder!

Electric refrigeration keeps air crispy-cold and dry. Foods stay fresh. Dangerous summer bacteria that breed in cool moist places shun the clean, dry, frosty cold of your electric refrigerator.

Even your present refrigerator can be turned into an electric. Ask your dealer to show you how simply and economically it can be done.

Attractive installment payments can be arranged.
