Old and new subscribers alike, can take advantage of the 50-50 split for twenty-four hours more, then the subscription price will be \$2.00. Today and to-morrow only \$1 to get acquainted. Notice the label of your address on the paper, which reads the date of your expiration.

The old school house has been completely torn down and the lumber will soon have been hauled away. This is the old wooden structure in which the preceding generation acquired their education. The building was built about a half century ago and was becoming unsafe for any kind of public use.

The high school has begun practicing basketball under the new coach, Mr. Carlson. There has not been a regular practise but the long and weary process of getting in 'shape'

has been going on for some time. The line up looks good, having two old letter men in it.

To the Voters of the City of Central Point—Your vote at the polls on Tuesday, Nov. 2, 1926, will decide whether I will be elected as City Recorder, or some one else; it having been reported erroneously that I was not a candidate for re-election. I wish to say that I am a candidate for re-election to this office, and if elected will continue to discharge the duties of the office in a conservative business like manner, to the best of my ability. Your support is solicited, and will be highly appreciated. L. HATFIELD, pd adv.

Thursday, November 4 at 2:30 p. m. the Jackson County Health association will hold a meeting at the home of Mrs. Victor Bursell. One public meeting is held each year in each section where there is a community group and all people interested are invited to attend. Some subjects of interest to the health of the community is presented by a physi-

cian and a social hour follows the talk. At the meeting next Thursday, Dr. Adams will discuss goiter, a very vital subject in this section where so many have trouble of this kind. We have in Central Point and vicinity a larger membership in the Jackson County Health association than any other community. By calling at Paxson's drug store, cars will take any wish to go.

The Chinese Pheasant season closed Sunday, with all the sportsmen of this city well fed up on hunting.

Over in Cuba last week, 600 were killed and 6000 made homeless in the hurricane, a storm similar to the recent Florida storm.

Suppose we will all have to send extra help to the Near East. There were 400 killed and 100,000 made homeless in the Armenian earthquake last week.

Many people were out motoring, Sunday, owing to the spring-like weather that has been cheering them up for the few preceeding days.

ANNOUNCEMENT

In announcing myself a candidate for the office of City Recorder for the city of Central Point, I do so with no business interests to cater to, other than the city business for ALL the people of the city. I will aid the administration in all ways possible and devote my time in endeavoring to give efficiency and honest labor to the duties.

Atwater-Kent Radio

Why this store stands behind it

Atwater Kent Radio is made in a 15 acre factory—the largest radio factory in the world.

It's made as carefully as if this were the smallest factory in the world and a reputation were yet to be won.

So, when we install an Atwater Kent Receiver in your home, it works—and keeps on working.

That's why so many people insist on "Atwater Kent."

Have you seen the wonderful ONE Dial Models? Come in and get a thrill.
