Glancing at the daily papers we are inclined to believe a lot of women think more of catching a man than they do of holding him.

About the first thing a Ashland boy learns about girls is that they won't scream as often as they threaten to.

It has gotten so in the city that everytime a fellow gets too much moonshine he goes around to some dance hall and invents a new dance.

Two of London's biggest distillers are touring America, Maybe they are studying this country's methods of merchandising.

Any Ashland father can tell you it isn't always the high-stepper who goes over the top when it comes to footing the bills.
