for months at a time.

Miss Warmth former Phoenix up, an \$8,000 jeb for M. N. Mayo tract was secured at a price of six hundred dollars more than competitors bid for the same job. It was the quality of the granite that brought the order at an advanced price. There was a small profit in this job, Mr. Blair declared "But with modern equipment there would have been half profit."

The Granite works some day will be developed, of that you may be sure, but how long it will take is problematical. When it is developed, when one hundred and fifty men are working there, when they are spending their pay in Ashland, then there will be general rejoicing.

#### RELIGIOUS EDUCATION.

(Continued From Page 1) has been so keen, that the present percentage was maintained all of last year. The coming year will no doubt show even a higher percentage, as last year there were ant thing at church.
