

"500" Card Party
 The "500" Card party given at the I. O. O. F. Hall Tuesday evening was well attended and a splendid time was enjoyed by the joyful crowd present. Mrs. E. Cliff Payne and Mrs. Marcella Scribner were the hostesses for the evening, and Mrs. Paul Mars and Mrs. Calahan had charge of the dining room, where splendid refreshments were served to the guests at the close of the evening's entertainment.

Mrs. George Ebb received a very pretty present for holding high score for ladies, and Mr. James Hersey was the fortunate man who took first honors; Mrs. Floyd Dickey was awarded the consolation for the ladies, and Mr. Ed. High for the men.

Music Teachers Assn.
 Members of the Jackson County chapter of the State Music Teachers' Association met Tuesday at the Hotel Medford, where they enjoyed luncheon. This was the first meeting of the season.

The Jackson county chapter was organized last year and is composed of music teachers and lov-

ers of music in Southern Oregon. The aims of this society is to bring about higher and better musical standards and promote friendship between music lovers. Miss Leona Marsters, supervisor of the music at the Southern Oregon Normal school organized a Music Teacher's Chapter in Klamath Falls, last year. The Klamath Falls Chapter and the Jackson County Chapter are among the largest in the state. The membership of the local chapter has greatly increased since its organization and they are looking ahead to a year of success under the ef-

iciency of the president, Miss Leona Marsters. The local chapter expressed much interest in plans for the state convention which will occur next May at Medford. At this event many of Portland's best musicians will be present and take an active part. It was decided to divide the chapter in to committees; piano, violin, and voice, with an active chairman on each committee, for the purpose of aiding the music professionals. The names of these chairmen will be disclosed at a later date. The next regular meeting of the society will be held at the Lithia Springs Ho-

tel there will also be a luncheon. Ashland members present at the meeting Tuesday were Miss Leona Marsters, Estelle Albert, Imogene Wallace, Ruth Louise Yoder, Laura Raguse, Mesdames J. R. Robertson, and Harold Aitkins, and Messrs. Franz A. Auer, and Ward V. Croft.

Covered Dish Luncheon

On Thursday evening, the Senior Christian Endeavor society of the First Presbyterian church, held a most successful covered dish luncheon. There were thirty-five members and guests from the

High school and Normal school, present. Several mixing games were played at the beginning of the evening to stimulate sociability and interest. Luncheon was served at six thirty, afterwards there followed a short business meeting in preparation for the Rally Day program, which is to be held next Sunday.

Lloyd Hach, the Western Union Telegraph company's messenger boy, fell from his bicycle Thursday at the Plaza and sustained a painfully sprained wrist. Raymond Stennet is filling his place.
