Receives New Hudson

H. A. Stearns of the Lithia Springs Garage has received a new Hudson Sedan which he is now using for a demonstration car. The new Hudson is Wheeler green with rich patterned deep piled mohair upholstery harmonizing effectively with the exterior color. The seat cushions are form fitting. The headlights are fully nickled with the light control at the center of the steering wheel. Roominess and comfort are among the main features of the new car.

Wrestling

Wrestling promises to become a popular sport at the Normal school. Twenty-two men attended the initial meeting held Thursday for the purpose of organizing a wrestling club.

Plans were made to select a regular practice place and to provide the necessary equipment. Warren Conrad one of the grid stars of this season is to have charge of the squad.

A challenge had already been received from Monmouth Normal and from present prospects two more schools will be added to the wrestling schedule.

REFLECTIONS

A Pound of Feathers is heavier than a pound of gold—but a severe loss whether from fire, flood, auto, injury of person or property, may weigh heavier than anything else in the world, if it is not insured. The business of this Agency is to insure property against such loss—large, old, and solid companies. Prompt and just adjustments.
