DeMoss Concert Pleases (Continued from page 2)

An outstanding number of the program was that given by the entire company in "The Holy City." In this number the bass-viol, violin, flute, sleighbells and the piano were employed. The company responded to an encore which was equally well received.

The cornet numbers by Mr. George DeMoss showed unusual mastery of the instrument. Mr. DeMoss also favored with his famous two guitar act, swinging the instruments about in the manner of Indian clubs, striking the strings in plaintive melody at the same time.

Dean Gives Inspiring Talk.

Dean Jameson, dean of young women at the Oregon Agricultural college, appeared before the senior high and junior high school student bodies, Tuesday, giving most helpful and interesting talks her subject being taken from the beautiful poem, "True Worth," by Henry Van Dyke. "Four things a man must learn to do, if he would make his record true: To think without confusion clearly, to love his fellow-men sincerely, to act from honest motives purely, to trust in God and heaven securely."

Different points brought out by the Dean were taken from this immortal verse, which she aptly applied to the school boys and girls of today, bringing each beautiful and helpful thought home to each pupil.

Afternoon of Bridge

A delightful afternoon of bridge was that over which Mrs. L. A. Roberts presided at her

home on Church street, Wednesday, February 1st. Two tables of bridge were in play during the afternoon. Mrs. Clyde Costello winning a lovely gift for holding high score, and Mrs. C. I. J. Porter being awarded the consolation.

After the games, the hostess Mrs. Roberts served dainty and delicious refreshments to her guests.

REFLECTIONS

A Pound of Feathers is heavier than a pound of gold—but a severe loss whether from fire, flood, auto, injury of person or property, may weigh heavier than anything else in the world, if it is not insured. The business of this Agency is to insure property against such losses. Large, old, and solid companies. Prompt and just adjustments.
