Made in Ten Individual Styles

You Will Want Several at This Price

**Through the Combination XX Plan We Have Secured These Attractive WASH FROCKS**

Made of Belmont Percales

This COMBINATION XX PLAN group of smart wash dresses features ten charmingly individual styles fashioned of crisp new Belmont Percales; these sprightly and fast color novelty prints were designed exclusively for this selling event.

They are distinctly appealing and new—contrasting colorful bias tape bindings, perky streamers, dainty collars and cuffs of dimity—innumerable individual details—give these wash dresses the style and character of much higher priced dresses.

Of course they are well made with two inch hems and neatly sewn seams. The fabrics themselves, Belmont Percales, are produced by Marshall Field & Company, Wholesale, and represent the highest standard of quality for goods of this character.

This is another Combination XX Plan item produced by Marshall Field & Company, Wholesale, and sponsored by this store and by thousands of other merchants throughout the country. Like all Combination XX Plan items, these dresses are an exceptional and a genuine value.
