

COMMENT ON SPORTS
(By Sheridan)

For the eighth consecutive year, William T. Tilden, 2d, is given first place among American tennis players by the U. S. Lawn Tennis association. Among the Women, Helen Wills gets the premier position from which she was deposed last year by illness. Mrs. Molla Mallory goes back to second place. Among the men, little Bill Johnson, the fiery Californian is "not ranked due to insufficient playing data." Here are the first ten players in singles for both sexes:

Men's 1922 Singles.

William T. Tilden, Philadelphia.
Francis T. Hunter, New Rochelle, N. Y.
George M. Lott Jr., Chicago.
Manuel Alonso, Philadelphia.
John Hennessey, Indianapolis.
John Van Ryn, Orange N. J.
Arnold W. Jones, Providence, R. I.
John Doeg, Santa Monica, Cal.
Lewis N. White, Austin, Texas.
Cranston W. Holman, San Francisco, Cal.

Women's 1922 Singles.

Miss Helen Wills, Berkeley.
Mrs. Molla Mallory, New York.
Mrs. A. H. Chapin Jr., Springfield, Mass.
Miss Helen Jacobs, San Francisco.
Miss Eleanor Goss, New York.
Mrs. J. D. Corbiere, New York.
Miss Penelope Anderson, Richmond.
Miss Margaret Blake, Boston.
Mrs. E. H. Roesser, New York.
Miss Alice Francis, Montclair, N. J.
Tilden's winning of the top position sets a new mark for consecutive rankings, although the late William A. Larned won first place eight times from 1901 to 1911 excepting 1904 and 1906 inclusive. The placing of Hunter in second place is justified by his record here. His play abroad, while not considered, was also excellent.

In Dunsmuir.—Mrs. Frank Dean left Wednesday for Dunsmuir where she will visit her husband who is employed by the Southern Pacific in that city.

Longview Officials Here.—Guy Anderson, passenger traffic manager of the Longview railroad spent several days in Ashland this week on business.

Former Resident.—Mrs. Nettie Grdene, who formerly resided in Ashland for many years was visiting friends in Ashland last week. Mrs. Green now resides in Oakland.

From Medford.—Leonard Swenson of the Swenson furniture dealers in Medford was transacting business in Ashland Friday.

Take in Church.—Rev. John Goben, of the Four Square Lighthouses, assistant pastor of Angeles temple and also district organizer for Washington, Oregon and California delivered a sermon on "The Reign of Terror" to a packed house at the Four-square Lighthouse on the Boulevard last Friday night. Rev. Goben chose his text from the 13th chapter of Revelation. He also read several clippings from the press to show how wonderfully prophecy is being fulfilled. During Rev. Goben's six day tour of

southwestern Canada, Washington and Oregon in behalf of Lighthouse organization work he officially took into the Foursquare lighthouse movement six churches including in that number the Klamath Falls temple and the Ashland Foursquare lighthouse, a result of a two months revival campaign held by Evangelists Jimmy and Viola Lynd. Rev and Mrs. Lynd are to continue the work here for a few more weeks possibly. It is also planned to have them stay a week after the new permanent pastor arrives, during which a city-wide revival campaign will be launched. An official board was elected and a charter membership opened up with about a hundred signing up as active members. A charter will be granted the new church as soon as Mr. Goben gets back to Angeles temple. Mr. Goben also announced that on his way back to Los Angeles he has been dated up to take in nine churches who have been waiting to come into the Foursquare. The people are pleased over the results of the campaign and the church is starting with a young peoples choir of 30 voices, a commissary where food and clothing are distributed to the poor, a Sunday school of over a hundred members and a packed house at each of the four services a week. The new church is known as "the church of smiles."

THE MONTHLY STATEMENT

While bank-bookkeeping is so systematized that it is possible to give a statement of an account at any time, the general practice is for customers to get their statements on the first day of each month.

However, many people let these statements accumulate month after month. Still others get the statements but do not compare the balance shown with that on their check-book stubs.

This is a matter which should be attended to regularly and promptly, so that corrections may be made in your records and the possibility of overdrawing your account at any time be avoided.
