

HOSS IS CANDIDATE FOR SECRETARY STATE

Oregon City, Or., Mar. 26.—Hal E. Hoss of Oregon City has formally announced himself as a candidate for the republican nomination as secretary of state, and will have his name on the ballot in the primary election May 18th. Mr. Hoss, who has been manager of the Oregon City Enterprise and later private secretary to Governor Patterson, resigned his state position a short time ago in order to devote his time to his candidacy, and his announcement comes as a result of encouragement received in a state-wide survey he has been conducting.

Coincident with his announcement as a candidate, Mr. Hoss sent in his resignation as secretary of the state editorial association to President Robert W. Sawyer of Bend, but will retain

his other press association connections. He will formally file for the office within the next few days.

In his statement Mr. Hoss says: "In announcing my candidacy for the republican nomination as secretary of state, I do so with

a well founded conception of the situation. Since my resignation as private secretary to Governor Patterson a few weeks ago I have been enabled to devote sufficient time to a state-wide survey to convince me that there is good opportunity for my nomination. Reports from every section of the state indicate a strong support, and while every candidate for office is prone to construe everything to his own favor, I was willing to give up my position with Governor Patterson and go into the race, confident that I was not mis-reading the minds of the republican voters throughout the state.

"During my career as a newspaper editor and as an officer in newspaper associations, I had opportunity to form a great many contracts with business and civic leaders, and during the past year and a quarter at Salem I have become acquainted with a number of people prominent in the public and official life of the state. My work with the press of Oregon has put me in a position where I am receiving the support of a great number of newspapers and their endorsement is no small part of my encouragement.

"I sincerely believe that I am qualified by experience and training and the human attributes to be secretary of state. My business experience has been along administrative lines and in public life I have had the opportunity to, and did, study the work of the board of control and the office of the secretary of state at close range. I intend, if nominated and elected, to give the people of Oregon an efficient and courteous administration of their affairs, so far as they would come under my jurisdiction: I would enter the office of secretary of state free from political entanglements, owing no debt to any individual or group. I am a native citizen of the state of Oregon, seeking one of its high offices because I feel that I can do the work well."

local club for their assistance in helping to form the club.

Mrs. H. K. Davis of Auburn, California, sister of Al Reynolds, delighted with several vocal solos assisted at the piano by Miss Marie Moon, daughter of President Moon of the Ashland club.

The principal speaker of the day was Governor Manny, who outlined the six objects of the club with service to mankind foremost, leading up to and fostering the advancement of understanding, good will and peace from an international standpoint, particularly stressing international Rotary as a main factor in world harmony. He also mentioned that 44 nations of the earth have Rotary clubs. From 40 clubs in the United States in the year 1910, there was an increase to 12,000 in fifteen years time. At the close of his address, the charter was presented to the local club, in conclusion he read the beautiful and appropriate poem by Madeline Bridges, "Give truth and your gift will be paid in kind, and honor will honor meet, and a smile that is sweet will surely find a smile that is just as sweet. For life is the mirror of kings and slaves. 'Tis just whatever we are and do. Then give to the world the best you have, and the best will return to you."

Other speakers included R. A. Booth of Eugene, past district governor. Telegrams of congratulations were received from the clubs in New Westminster, Longview, Sedro-Wooley, Albany, Mt. Vernon, Prince Rupert, Seattle, Corvallis and Port Angeles. The banquet was under the direction of Mr. and Mrs. Fred Taylor of the Plaza.

J'Ville People to Attend Meeting

Plans are rapidly rounding into shape for the town meeting to be held on Friday night, March 30th with Fred Lockley, special feature writer on the Oregon Journal as the main speaker. Mr. Lockley has specialized upon

early Oregon pioneers in his stories for the Portland newspaper, and while here will interview many Ashland people.

A check which has been certified is proof that the maker has the money in the bank upon which it is drawn. It means, in fact, that the bank has deducted the amount of the check from the maker's account to hold in reserve for the payee.
Seed which is certified is evidence of government inspection and approval of inherent value.
Many an uncertified check is as good as gold. Much first-class seed is sold by the producer without certification. However, whether accepting a check, or buying seed, from strangers, it is always safest to insist upon the word "certified" on the check, or on the packet of seed, as assurance of value.
