Do your canaries sing? There are 3 things necessary for a good singer: First, good stock; second good food; and third, a clean cage. One of the best breeds is the St. Andrewsburg German roller, and one of the best foods is "Just Rite", both of which are carried at Stone's Drug Store but the care of the cage is up to you.

Have you noticed how nice Mrs. Stone's Canaries look. They are fed, Just Rite Bird foods.
