## TO THE VOTERS OF CENTRAL POINT

During this time of depression it is necessary for me to have additional income other than that of my store if I am to continue to pay my taxes of about \$300.00 per year, hence I am asking for re-election to the office of City Recorder.

All I have invested in Central Point and vicinity, and payment of Taxes is quite necessary if our City and Schools are to continue. I ask that you kindly consider the matter from this view point and vote for the candidate who contributes most to the carrying on of the Schools and the City.

I will appreciate your vote on November 6th.
