Model Home Is Shown in Medford

The Model Home at Weeks and Orr's furniture store in Medford was open for inspection this afternoon. A. E. Orr, furniture dealer and managing owner is the originator of the idea of the home.

Mr. Orr's model home, located on the second floor of the Weeks and Orr building in Medford, is considered one of the finest and most complete homes of its kind on the Pacific coast. Furnishings for this unique model home were personally selected by Mr. Orr and his son Gene on their recent extended visit to furniture markets in Los Angeles and San Francisco.

Don't fail to visit this home, it is all very clever and beautiful and you will see many new suggestions that you may work out in your own home. The home will be open for inspection daily from noon till five
