Mr. and Mrs. W. H. Ferguson were shopping here yesterday.

Mr. and Mrs. W. H. Ferguson were shopping here yesterday.

The Emerson Club will meet at the Orange hall Tuesday May 11 from 10 to 11:30. A covered dish luncheon will be served at noon. This meeting was postponed on account of illness of Mrs. Mack and will be on Menu planning, simple entertaining and table settings. It promises to be a very interesting meeting and all are invited to bring food for demonstration. If unable to do so call Mrs. Peterson. All who come bring favorite recipes as it is to be an exchange of recipes.

Mr. and Mrs. T. A. Marine, Mr. and Mrs. George Marine and Gwendolyn; Mr. and Mrs. Chester Morrison; Margaret and Herbert of Medford spent Sunday at Tahoma Park near below the Savage Rapids dam. They enjoyed a picnic luncheon.

SPECIAL PRICE ON QUANTITY ORDERS

Faber's Feed Store

CENTRAL POINT

PUBLIC SERVICE HOUSE PAINT

\$2.98 per gal.

The use of Titanium Pigment in the correct generous proportions, with White Lead, Zinc Oxide and Pure Linseed Oil, gives PUBLIC SERVICE the added spreading and hiding capacities that makes it the biggest House Paint Value in America. That's why you are advised to compare "cost per job" between brands. Not "cost per gallon."

THE GREATEST GUARANTEE EVER MADE FOR PAINT

PUBLIC SERVICE is guaranteed to Spread Farther, Hide Better, Wear Longer and produce a Whiter House than any 100% Pure Lead and Zinc House Paint made. If, when applied according to directions, it does not fulfill these qualities, our dealer has authority to make satisfactory adjustment.
