## NEW ONE COAT PAINT HAS MANY ADVANTAGES

The new Luminall, one coat, paint has wonderful advantages to the home owner. It covers well. One coat will cover any old or new surface, even black paint. It is odorless and dries in 40 minutes. No sizing or priming coat is required. Luminall is economical. One gallon provides a beautiful finish for 250 to 750 square feet, depending on the surface to be covered. See the Medford Lumber Company's ad in this issue.
