Those attending the last meeting of the "Pleasant Hour Club" were Mesdames Bowen, Dally, Sweet, James Martin, Grant, Williams, Sanderson, Sater and Martin of Medford and M. F. Young of Willow Springs. Officers were chosen and Mrs. C. C. Sanderson was elected President and Mrs. James Martin, Secretary and Treasurer. The next meeting will be held at the home of Mrs. Blanche Sweet the second Wednesday in October. At this meeting the club members will paint flower vases so, ladies, save your pickle jars. Friends and neighbors of Mrs. McFarland are sorry to hear that she has been ill and wish her a speedy recovery. Mrs. McFarland has been under a doctor's care for some time.

We notice that Mr. and Mrs. Dell Morrison are sporting a new Dodge Truck and by way of a trial they drove to Medford Saturday.

Mr. and Mrs. Ellis, Mr. and Mrs. Grant, Mr. and Mrs. Stallings and Claudine, Mrs. Bayles, Mrs. Williams, and Mr. and Mrs. Warren, were all Medford visitors Saturday.

Mr. and Mrs. Frank Hutson of Los Angeles are here for a week's visit with Mrs. Hutson's sister, Mrs. J. H. Rush.

There are twenty-five pupils en-

rolled in the Antioch school this year, ten boys and fifteen girls. They seem to be an ambitious group as they and their teacher, Miss Rudd are preparing a geological display at the school house. The older boys are making the case for the specimens.

Visitors at the Sanderson home Friday were Mrs. Sanderson's uncles, J. C. Barnard and Joseph Welch of Cornelius, Oregon. Mr. Ed. Miles of Bonanza and Dee and Miss Zona Jaines of Klamath Falls visited last Wednesday at the R. R. Dischoff home.

Mr. and Mrs. Bowen have just finished a welcome improvement in their house. They have added a fireplace.

Tuesday evening visitors at the James Martin home were Mr. and Mrs. Robert Sims and son Cleo and William Martin.

Mr. and Mrs. Tom Perdue and small son Wesley of Eagle Point were visitors at Sandersons Friday afternoon.

Mr. Bowen had what may have

been a serious accident last week. He was forced to go to an oculist and have a chip of mortar dislodged from his eye.

An Income of Over \$80,000 a Day

Pure-bred herds of Northwest dairies furnish the foundation stock for dairy herds all over the world, and the Pacific International Livestock Exposition is the show window for many of these outstanding animals.

Visit this great Exposition in Portland, October 5 to 12. It's the Silver Anniversary, and every effort has been made to make the Exposition the greatest since its inception in 1911.

Remember, this bank is always willing to co-operate in the development of better farming and livestock raising.

Oregon's quarter of a million dairy cows afford daily employment to thousands of persons, creating a cash return of over \$80,000 a day—the largest revenue from any branch of agriculture in the state.

The finest pure-bred dairy animals in many famous Northwest herds are groomed and fitted for exhibition at the Pacific International Livestock Exposition. There they vie for highest honors as the leading representatives of their particular classes.
