What! NO PEP or SPEED?

If your car doesn't run as fast as it did or if it hard to start, bucks at low speeds or cuts out at high speeds, in all probability your electrical system may be at fault. We are equipped to clearly diagnose the trouble and fix it for you at the minimum expense. The scientific instruments that we use in diagnosing motor car troubles insure this.

RULES AND PRIZES

FOR THE HEAVIEST BUCK CONTEST FOR 1935
Given by the Marshall-Wells Company and this store
1—Mule Buck Deer killed in Oregon, east of the Cascades
2—Columbian Black Tail Buck Deer killed in Oregon, west of the Cascade Range and east of Pacific Highway.
3—Columbian Black Tail Buck Deer killed in Oregon, west of the Pacific Highway.

MERCHANDISE PRIZES WILL BE GIVEN BY THIS STORE
Contest to run during the open season, in the states of Oregon and Washington, and open only to residents of the states of Oregon and Washington.

All bucks to be weighed on our scales, dressed as hunter would carry a deer—entrails, heart, liver and lungs removed, head on. Columbian Black Tail legs cut off at knee and hock joints. Mule deer legs and feet on.

Three judges appointed by us—one of whom must be present at the weighing of the deer, to count in the contest.

Weight to be certified on space provided for an official card and recorded and deposited with us.

Anyone may enter the contest by buying a box of Peters Ammunition at this store and name must be entered at time of purchase.

The deer must be killed by the hunter purchasing the ammunition and with ammunition bought from this store at the time of his entering the contest.

Final record must be made not later than three days after the close of the open season.
