Community Chest Drive Starts Soon

The community chest drive will start Wednesday, October 9 and continue for three days. So let us plan to be ready when called upon to do our part, whatever it may be to help this good cause along. We could not give in a more worthy cause than this to help our unfortunate neighbors. The Mail Tribune has been printing various phases of the work of what the Jackson County Health association has been able to do owing to the help they receive from the community chest. Children with defective sight, hearing, crippled or afflicted in any way are helped if possible.

The Health association has a very instructive and attractive display in the Chamber of Commerce window in Medford. Organizations taking part in the drive are Red Cross, Salvation Army, Boy Scouts, Girl Scouts, County Health Association, Girls' Community club and Welfare Exchange. Those covering the Central Point district are Mrs. Harry Tonn, Mrs. O. M. Minnick, Mrs. Mervyn Gleason, Mrs. Aaron Davis, Mrs. E. Raymond Driver and Mrs. Charles Taylor. So plan and be prepared to do your very best when these ladies call.

THAT'S QUEER-- IT WORKED Last Year
Winter takes its toll among windshield wipers. The added strain of clearing the windshields of snow and sleet lessens their efficiency. The windshield wiper is an extremely important factor in safe driving. It is the difference between "clear vision" and "no vision" ahead, when it rains. Better have us look yours over now so it will be ready for the spring and summer rains. We replace wiper blades, adjust the new ones so they will give you clear vision, inspect the vacuum line and adjust and repair the windshield wiper motor if necessary.

For all interior painting... Use LUMINALL
Use Luminall wherever you would use any flat paint. It is the loveliest of finishes for living and dining rooms, bed rooms and hallways.
It gives that soft "dull mat" finish that is so pleasing and so easy to live with.
Luminall is the paint that dries in 40 minutes—odorless—one coat absolutely covers.
FOR BEAUTY, SPEED, ECONOMY AND CONVENIENCE

You can apply Luminall on the masonry walls of your basement or on the wallboard of the attic; this new type paint covers so thoroughly in one coat you may even paint over wallpaper.
Easy to apply. Economical. One gallon thins to 1 1/2 gallons.
Let us supply you with Luminall.
