FOR SALE—12 Plymouth truck pullets. Also truck. See O. D. Tucker.

Mr. Wertz arrived from Climax Wednesday for a short visit with his family.

Ruth Heath Marries Harvey Curley
Ruth Heath and Harvey Curley were married at the courthouse Wednesday afternoon at three o'clock. Mrs. R. H. Heath, mother of the bride and Mrs. L. E. Robinson accompanied them. The happy couple will make their home here for the present. The American joins their many friends in best wishes for a happy and prosperous life.

The Kamburg boys are both confined to their home—one with the mumps and the other with poison oak.

Morris Top Notch Inn in Medford have installed a new electric range, heavy duty element. They plan also on installing an icecream refrigerator. Their business shows a steady increase.

Isaacsons Return to C. P.
Mr. and Mrs. J. O. Isaacson returned from California Monday. They had a very enjoyable return trip until they reached the Siskiyou where it was snowing. From there on to Central Point it was very difficult and unpleasant driving. Next week we hope to have more about their three months sojourn in Suny California.

Mr. and Mrs. George Marine and Gwendolyn enjoyed dinner at the Doyle Mills home Wednesday evening.

The C. P. Grange will hold their regular meeting Friday evening.

Mrs. Gene Blackford is visiting her son Lowell and brother, Mr. Joe Collins in Klamath. She expects to return home Sunday after a weeks visit.

Mr. Peart is starting out early with his spring cleaning. He has Jesse Richardson hauling away the accumulated junk around his shop.

Mr. and Mrs. E. C. Faber attended the Baptist church last night and enjoyed hearing the Longs in song.

Mrs. Minnick who has been sick for some time was able to make a trip to Medford Monday.

FOR SALE—Row beet cultivator, or will trade for discing. John Hesselgrave, Central Point.

Thursday before last the 13th of February the Central Point Girl Scouts gave a Valentine party in honor of the Gold Hill troop. Games were played after which refreshments were served. A good time was had by all.

Sugar Pine Shakes at Faber's

Mr. Amick is still confined to his home in Grants Pass. Mr. V. A. Davis and Andre Chomel visited him Wednesday afternoon and report that he is improving and was able to be up for the first time Wednesday. He hopes to be able to return to his school Monday, March 9.

Sale or Trade for Chickens—2 wheel trailer, new rubber. S. W. Corner of City Park. G. F. Brood.

Mrs. Harry Chase of Central Point was admitted as a patient to the Osteopathic clinic for treatment Tuesday.

Mrs. Obert Hansen and Mr. Morris Kobbs are repainting the inside of the Faber store. They worked until two o'clock Tuesday evening. Mr. Hansen and Mr. Kobbs are artist in their line. They have several jobs here to finish before leaving for Bend where they have four months work contracted for, which looks like times are improving.

Mrs. Lydia Dean and son James Dean and wife of Grants Pass were guests at the Ed Farra home Friday afternoon.

Mrs. Bertha Stevens Carl expects to move into her new home in the near future.

It is reported on good authority that they are skating with ice skates on the streets of Eugene.

Dr. and Mrs. Heckman accompanied Nelda Williams of Talent to the Shriner's hospital in Portland Tuesday. Miss Williams was one of the Polio victims this fall and is badly paralyzed. She will stay at the hospital indefinitely. The Williams were former residents here and Mrs. Williams is Rev. Johnson's daughter.

Carnation Club Met Thursday
The Carnation Club met last Thursday afternoon at the home of Mrs. Mary Langston. Mrs. Langston and Mrs. Marynard Putney being hostesses they planned a circus party. The luncheon table was decorated with a lion in a cage and a mechanical man as an animal trainer as a center piece. Pink lemonade and peanuts added to the circus-like appearance. Circus games such as tight rope walking, feeding the elephant, cutie, etc., were played during the afternoon. Those present

Associated Aviation Ethyl

A True Aviation Gasoline For Your Car
Associated Aviation Ethyl outperforms automotive gasolines. It definitely advances the limits of modern motor car performance, in two ways:

1. Associated Aviation Ethyl's fast firing, dry vapor gives instant response, instant peak power at the touch of the throttle... a smooth, zooming power. Anyone who knows his car can feel the difference it makes
2. Aviation Ethyl's high anti-knock rating allows motors to make full use of its sensational power, permits adjusting up the motor to new levels of performance. Starts instantly, regardless of weather; stays started.

Try a tankful of Associated Aviation Ethyl. Fly the highways!
