STICK TO YOUR LAST

Agricultural cooperation is an indefinite term.

But basically it means the selling of farm products through farmer-owned and controlled central organizations. This is sound cooperation, based on definite business principles of proven worth, that can do a great deal for farm prosperity and stability.

But where it is distorted to tempt farmers into fields which are in no way connected with farming, Old Man Trouble has things his own way. Failure—expensive, often ruinous failure—is usually the result. And the unhappy example of such a failure endangers the whole farm cooperative movement, the true purpose of which is to improve farm production and sales methods.

"Stick to your last" applies to industrialists, shop-keepers, farmers and everyone else, as well as the shoemakers. Experiments in somebody else's business are inevitably a short cut to bankruptcy.

Beagle

Dick Rush spent three days at the Basketball tournament at Ashland last week. Others from this district also attended some of the many

games and rooted for Sams Valley, who took 2nd place Consolation trophy.

The Lewin Brothers have been making a number of improvements on their ranch of late—fencing off formerly unfenced property and adding to the usefulness of their natural spring.

Mr. and Mrs. Don Seegmiller and little daughters, Donna Marie and La Verna moved in this district last Thursday.

Mr. and Mrs. Arthur Hess and son, Billy and Miss Helen Williams spent Sunday visiting Mrs. A. B. Williams.

HOME MODERNIZATION

Loans

.... Protect Your Home Investment

Funds prudently expended in remodeling or repairing not only make your home more livable and attractive, but increase its value and salability. A well-planned modernization program at this time is a sound investment.

Our Home Modernization Loan plan enables home owners to borrow needed amounts from \$100 to \$2000, for periods up to three years, at very reasonable interest rates. Repay in nominal monthly payments that reduce both interest and principal. Ask for complete details today; also about our economical Mortgage Loan plan.

International Trucks Have Long Given Users the Benefit of Quality Features

The new 2-ton International Model C-40 with cab and special stake body.

MAKE any comparison you like as to quality in motor trucks—then you will appreciate the engineering skill and the manufacturing precision inherent in International Trucks.

Many features which are now being spotlighted by others as something new have long been standard with International. Replaceable cylinders; exhaust-valve seat inserts; precision-type, steel-backed, removable-shell bearings; replaceable valve-stem guides; full-pressure lubrication; self-aligning, self-adjusting propeller shaft center

bearing; roller-bearing, anti-friction-type universal joints; and full-floating rear axles are refinements well known to International users.

International can give you all that you expect in a truck, and more, because Internationals are all truck from the ground up.

We offer you the perfected result of thirty years' evolution in International Trucks... latest, most beautiful, most efficient trucks to carry your loads. Sizes range from 1/2-ton to 10-ton. Come in and see these new Internationals. Or phone us for a demonstration.
