Central Point Youth Honored for Work With 4-H Clubs

The local Boy Scouts, Troop No. 40, were honor guests Friday evening at the first meeting this year of the Parent-Teachers Association. Opening the meeting with the presentation of the colors and the flag salute, the scouts then turned the meeting over to the eighth grade class. Two songs by the class and a reading by Miss Iris Hill were much enjoyed.

Mrs. Williams, president of the organization, presented Mr. Beesley, Scout Executive of the Crater Lake Area of Boy Scouts, who gave a very interesting talk on "Youth in the Modern World."

Mr. Beesley presented Mr. Stone, Mr. Phillips, Mr. Vincent, Mr. Kelly, and Mr. Scott with membership cards and complimented them on being interested enough to be present at the meeting.

The scouts, led by Ed Vincent, gave demonstrations of work learned. This consisted of knot-tying by Hal Jewett and Bob Gresham; administration of first aid by Bob Vincent, Woodrow Phillips, Kenneth Williams, Abner Knadler, Vernon Holland, Harold Pierce, and Tony Coy; signalling by second class scouts Albert Thompson, and Mike Thornley; and signalling by first class Scouts Neil Stone, Vernon Holland, and Gray Thompson.

The scouts concluded with having the audience sing the song "Ham and Eggs", lead by Mr. Beesley.

Mrs. Williams continued the meeting with reports of the various committees. Miss Alice Anderson was elected secretary for the place vacated by the resignation of Mrs. Thompson, who has moved from this district.

Mr. Jewett introduced all the teachers, both new and old, to the parents and friends present.

Upon conclusion of the meeting refreshments of punch, sandwiches, and cookies were served by the seventh grade mothers.

Bank-By-Mail System Adopted by Bank

Mr. George T. Frey, manager of the Medford Branch of The United States National Bank of Portland, today announced the adoption of a new Bank-By-Mail system for patrons of the bank.

"The new system, which has proved very successful in the East is unique in that it has been simplified to the point where one unit takes care of every operation in depositing by mail," said Mr. Frey.

"A single envelope serves as depositing carrier and receipt form. The flap of the envelope is detached by the bank and returned to the customer as a receipt for his or her deposit."

The improved system has been installed for a growing number of persons who sometimes find it inconvenient to visit the bank in person. Under this plan they can mail their deposit safely at any time of the day.

"Development of better facilities for banking by mail is in line with modern improvements adopted for many phases of financial service in recent years," said Mr. Frey.

"Progress in financial service keeps pace with progress in other fields of business and industry."

BANK BY MAIL

For customers making deposits by mail we have adopted a new and improved system—the Deposit-by-Mail Envelope.

You fill out a regular deposit slip form on this envelope, place your endorsed checks inside and mail to the bank. The flap of the envelope comes back to you immediately as a receipt and record of your deposit.

Call at the bank as often as you can, but when time is important, you will find our new system convenient, practical, safe. It brings the bank to you, when you can't come to the bank.

Call or write for leaflet explaining fully this improved Bank-by-Mail plan.

Take it Easy

The modern housewife is too independent and too intelligent to spend her life in useless drudgery. She knows for instance, that the few minutes her clothes stay in an electric washer are equal to hours spent over a steaming washboard, and the clothes last much longer too. The old-fashioned washboard never had but one justification... it was invented before the modern electric washer, which does a week's washing in a jiffy and at a cost of less than 2 cents a washing. Have you a modern washer?
